Buying guide

MALM

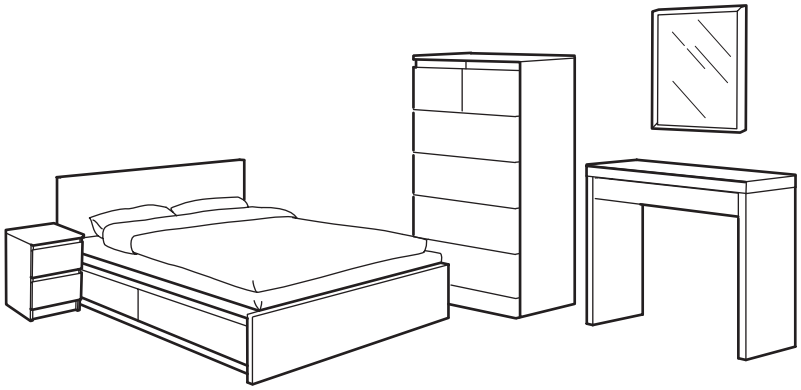
Bedroom series

Care & cleaning

Wipe clean with a well-wrung cloth and a mild soapy solution. Then dry with a clean, dry cloth. Clean the mirror with window polish.

WARNING!
Tipping hazard

Unanchored furniture can tip over. Some of these furniture shall be anchored to the wall with the enclosed safety fitting to prevent it from tipping over.



Long live personal choice!
All pieces in the MALM bedroom series – chests of drawers, dressing table, desks and beds – have the same timeless style. They are built to last and designed work together so you can furnish your entire bedroom in the same style. Choose between several veneers and colours. The chests of drawers come in many different sizes, which can be combined into your own personal storage solution. If you like, you can complement with a mirror of your choice and complementing wardrobes from the PAX series.

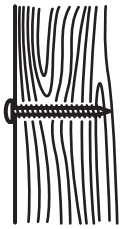
All the products (shown here) may not be available at the store. Please contact the staff or look at www.IKEA.com for more information. For more detailed product information, see the pricetag and the Internet. All units require assembly.

Wall anchoring guide

If your wall material is not listed or if you have questions, consult with a local hardware retailer.

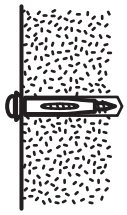
We all want our homes to be a safe place. But in our homes, accidents can put children at risk. Working together, we can help prevent these accidents and make the home a safer place.

- Secure it! Use the tip-over restraint provided with the product and the right hardware for your wall type. Consult the enclosed guide for help with hardware.
- Never put a TV or other heavy objects on top of a chest of drawers or any furniture not intended for use with a TV.
- Place heavy objects in the lowest drawers.
- Never let children climb or hang on drawers, doors or shelves.



Wall Material: Drywall or plaster with available wood stud.

Anchoring device: Screw inserted directly into stud. For example, a 5 mm wood screw provided with IKEA FIXA plug and screw set.

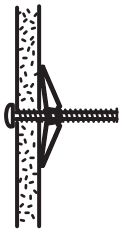


Wall Material: Masonry.

Anchoring device solid wall: plug with screw. For example, an 8 mm plug provided with IKEA FIXA plug and screw set.

Wall Material: Drywall or plaster without available wood stud.

Anchoring device: Plug with screw. For example, an 8 mm plug provided with IKEA FIXA plug and screw set.



Anchoring device hollow wall: Toggle-style.
