Easy to place, easy to use
LYCKSELE sleeper sofa is perfect when you want to be able to both sit and sleep. It’s easy to fit in any room and easy to convert to a bed. You choose the cover yourself, so you can make it just the way you like it. You can even take off the cover to wash it — or to have a little fun by changing to a new cover.

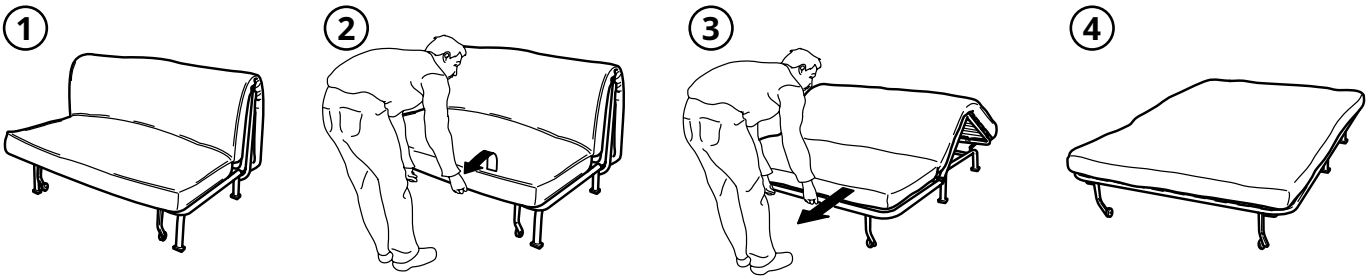
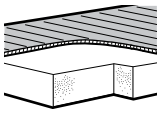
HOW TO CONVERT



It takes a few short seconds to convert LYCKSELE sleeper sofa into a bed. Just remove the cover and pull out the seat. The sleeper sofa turns into a comfortable 55⅛×74" double bed. To fold up the bed, just lift up the foot end as far as it goes.

When you push it down again, the bed will fold up neatly, almost without any help from you. It's a sofa again!



LÖVÅS
A firm, yet supple polyurethane foam mattress that will provide your body with both support and sleeping comfort. The mattress is 3⅞" thick and has a removable, dry-cleanable cover.
