

IKEA® FAMILY

Many reasons to become a member today

IKEA Family is our way of giving you extra benefits for shopping at IKEA. Over time we'll offer you new opportunities and great prices on things like technology and Green items.

Your membership will enable us to contact you, an IKEA fan, directly by mail or email to tell you about upcoming IKEA events and offers which helps you and is cost effective for us too.

The current benefits are:

- Membership is FREE, absolutely no hidden costs,
- Free tea and coffee all day Monday through Friday (in our main restaurant),
- **99p** full breakfast only for Family members daily one half hour before opening until 11 am (Saturday 9-11am)
