

# Pick & Delivery Service

**Our in-store Pick & Delivery Service can help you save time and effort, let us pick & deliver your goods for you.**

Just ask a Co-worker in our Showroom or Self Serve Warehouse to put together a shopping list for you. Take the shopping list to the Pick & Delivery Desk at the Returns Department behind the Checkouts.

We will confirm your order, check stock availability then arrange for your goods to be picked and delivered to your home for you.
