

IKEA's Ballroom Crèche

Reviews and thank you letters

Dear Jackie

I wanted to thank you and your team for all your help in making Katy's party on Friday a lovely night. The girls were fantastic and couldn't do enough for us. We had a wonderful time and Katy enjoyed herself too. Many of the parents commented on how relaxing the party was and were unaware that you did parties at IKEA so you may be getting a few more bookings!

Best wishes
Ann
