Sofa to suit your personality

HAMRA leather seating series comprises many pieces and colours. You can combine pieces freely to form the perfect seating group for you, your family – and your living room! Combine the pieces in the series to make an inviting corner sofa with a chaise longue or an extra long 4-seat sofa. Any way you combine them, the result will be beautiful, comfortable and all your own!

Soft and durable

HAMRA is soft, at the same time as the cushions provide stable comfort and support. The smooth, soft leather is nice to sit in and nice to touch. It's also durable and easy to keep clean. To retain its softness and suppleness, treat it with leather cleaner.

Connect and relax!

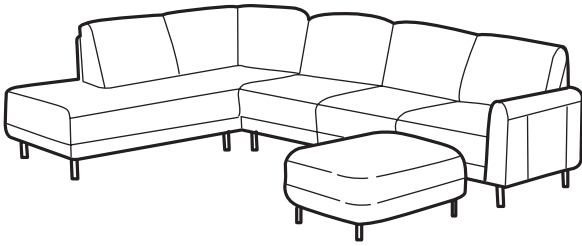

With HAMRA, you're free to choose the size and function of your sofa or seating group. One way is by connecting pieces in the series to form a generous sofa with a comfy chaise longue. Add a footstool – and get some extra comfort!
