

ANEBODA

DESIGN:

Tord Björklund.

MATERIAL:

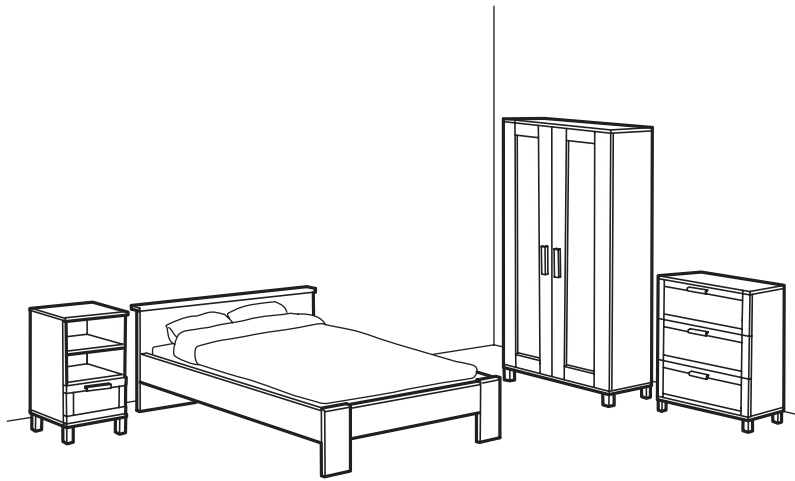

Particle board, foil, panel in polypropylene plastic.

CARE INSTRUCTIONS:

Wipe clean with cloth dampened in a mild cleaner. Wipe dry with a clean cloth.

SAFETY:

Always secure shelving and wardrobes to the wall. Note: Screws/ fittings for anchoring furniture to the wall are not included. Make sure you choose the right screws/ fittings for your wall. If you are uncertain, ask a specialist for advice.

ANEBODA bedroom range has white, transparent plastic in doors and drawers. This plastic accentuates the light and airy contemporary design – and keeps the price down. You can choose between different pieces and combine them as you like.

Night table, chests and wardrobe in ANEBODA bedroom series come in different widths and heights. Choose the one that suits you best.

If you need more storage, you can complement with the wide bed storage box on castors. Perfect for bedspread, extra bed linen or toys.

Do you want to add on to and expand ANEBODA bedroom range? You can combine ELGÅ ANEBODA wardrobe doors with a frame in the ELGÅ range. That gives you even more storage possibilities.
