

MALM

CARE & CLEANING:

Wipe clean with a well-wrung cloth and a mild soapy solution. Then dry with a clean, dry cloth. Clean the mirror with window polish.

SAFETY:

Some of the furniture must be fixed to the wall with the enclosed wall fastener. Different wall materials require different types of fixing devices. Use fixing devices suitable for the walls in your home (not included).

Bedroom with quality and choice

With the MALM bedroom series you can furnish your entire bedroom in the same, matching style. Comes in birch, oak, black brown and medium brown veneer, as well as some parts in white. The series includes bed frames, bedside tables and chests of drawers. If you want a special place for make-up and jewellery, you can choose a chest of drawers with a fold-up mirror and jewellery drawer.

Matching wardrobes are available in the PAX series.
