

# VINSTRA

## DESIGN

Magnus Elebäck

## CARE

Wipe clean with a well-wrung cloth and a mild soapy solution. Then dry with a clean, dry cloth. Clean the mirror with window polish.

## SAFETY

Some of this furniture must be fixed to the wall with the enclosed wall fastener. Different wall materials require different types of fixing devices. Use fixing devices suitable for the walls in your home (not included).

We've put some shine in the bedroom! The name of the star is VINSTRA and it is a high gloss revelation. With its elegant forms, it offers luxurious storage solutions to start your day at the top. Jewellery and makeup get the same attention as you do in the dressing table with mirror. Underwear and clothes receive the utmost care in the chests of drawers. Together, all parts in the VINSTRA series form the perfect dream - now available in reality!

Matching wardrobes are available in the PAX series.
