## Guidelines For Community Involvement Program

*Please read in detail before applying*

### Our Vision

The IKEA vision globally is to, "create a better everyday life for the many." At IKEA Atlanta, we are dedicated to giving back to the local community while being regarded by our customers and coworkers as a socially & environmentally responsible company.

IKEA Atlanta is proud to support selected organizations in the following areas:

- Children
- Environment

### Goal of the Program

- **Children:** At IKEA, **children are the most important people in the world.** We will focus our activities in the local community on helping children achieve their fullest potential by supporting their learning and development. Helping children to learn and develop is an area in which IKEA has experience and can make a difference.
- **Environment:** "**Low prices, but not at any price.**" Our community involvement program should have a positive impact on the local environment. At IKEA, we shall always consider the environmental impact of our business, as IKEA Atlanta is measured on its environmental responsibility.

### How do we choose our partners?

In order to maximize the positive impact that the program has on the local communities we serve, IKEA Atlanta will focus on:

- Local community initiatives within 50 miles of the IKEA Atlanta store.
- Partnerships with organizations whose primary focus are children.
- Programs where we can take an active role and utilize IKEA expertise and our products.
- Projects in where we can make a real difference.
- Programs that promote diversity, and include as many people/children as possible.

*IKEA Atlanta will only support organizations that operate in accordance with our non-discriminatory policy regarding race, religion, color, creed, national origin, gender, sexual orientation, citizenship, marital or veteran status, ancestry, disability, medical condition, or any other classification protected by applicable law.*

### When evaluating proposals we will consider the following priorities:

- Does the program match well with our IKEA vision?
- Is the organization registered as nonprofit or charity?
- Does the program support many local children and encourage diversity?
- Does the program support the local community or environment?
- Can we use our design know-how and IKEA products?
- Can we involve our energetic IKEA coworkers?

***Because our resources are limited, IKEA Atlanta has defined criteria for requests that we do NOT fund. Traditionally, they include:***

- Organizations whose services are not provided in Georgia
- Individual requests (requests that directly benefit one person)
- Projects with a narrow focus: one student, one class, sponsorships or individuals seeking assistance or participating in contests and competitions
- For-profit organizations
- Religious (or for religious purposes), political, or labor/fraternal organizations
- Third party organizations raising funds for a charity
- Sports teams, leagues, golf tournaments
- Non-academic programs: sports, clubs, troops, band competitions, summer camps, and field trips
- Organizations known to discriminate or operate in an unethical manner
- Organizations that are not open to all members of the community
- Conferences, seminars or table sponsorships of an event
- Foundations, capital campaigns/purchases, endowment programs or debt-reduction campaigns
- Treatment programs and/or advocacy or research groups
- Partnerships that involve IKEA Atlanta to distribute literature or any other objects, items, materials, etc. to coworkers or customers on company property at any time (including parking lot) – this violates our non-solicitation policy
