Diagram 6 illustrates the step of attaching the front panel to the side panel. The diagram shows a side panel with a pre-attached front panel. A circular inset shows three screws (101345) being used to attach the front panel. A warning box indicates that the correct screw is 101345 and the incorrect one is 101344. The front panel is shown being aligned with the side panel and then secured with the screws.
