HAVSTEN
Outdoor Living Furniture Series

**The sofa that moves the living room outdoors**
As the outdoor space becomes an increasingly important part of the home – where we eat, hang out, rest and read – it should be just as comfortable and flexible as the inside of the home. That’s why we made HAVSTEN flexible sofa in powder coated steel with fluffy, comfortable cushions that resist both broiling sunlight and light rain. HAVSTEN is a durable and neutral base that you can easily add to and move around to create your own personal living room under the open skies.

**Winner of the Red Dot Award 2017**
HAVSTEN flexible sofa has been awarded one of the world’s finest design awards – Red Dot Design Award – in the category for product design. The prized sofa was designed to be truly flexible – easy to move around and use to furnish in different ways. It’s made in powder coated steel with fluffy, comfortable cushions that resist both broiling sunlight and light rain, and has detachable parts and materials so you can create your own favourite sofa under the open skies.

How to build

2× Seat and back part
1× Supporting stand
2× Back cushion
2× Seat cushion
1× Armrests, 2-pack

To make HAVSTEN really flexible, we completely separated its parts. Although you build HAVSTEN based on sections, each one-seat section consists of parts you buy and pick separately. The seat and back are one part. The armrest sides are one part. As you add on one-seat sections, you will need supporting stands.

If you're building bigger than a 4-seat sofa, look for add-on units. One thing's the same: We've still made it as easy as possible to buy with our ready-made combinations.
Protecting & caring for HAVSTEN

The best way to extend the life of your outdoor furniture is by cleaning it regularly and not leaving it outdoors unprotected more than necessary.

**Metal**
Clean: With a mild soapy solution.

**Mesh**
Wash by hand, max 40°C. Do not bleach. Do not tumble dry. Do not iron. Do not dryclean.

**Cushion cover**
Machine wash, max 40°C, normal process. Do not bleach. Tumble drying, low temperature (max 60°C). Iron, max 110°C. Do not dryclean.

**Storing**
Sofa frame: If possible, store in a cool dry place indoors. If the furniture is stored outside, cover it with a waterproof cover. After a rain or snowfall, wipe off excess water or snow from flat surfaces. Allow air to circulate to avoid condensation. In freezing temperatures, plastic can weaken and is not recommended for use.

Cushions: Store the sofa cushions in a cool, dry place indoors when the season is over, preferably in a storage bag or storage box to protect from dirt and dust. Make sure the cushions are completely dry before storing them away.
