How to build

To make HAVSTEN really flexible, we completely separated its parts. Although you build HAVSTEN based on sections, each one-seat section consists of parts you buy and pick separately. The seat and back are one part. The armrest sides are one part. As you add on one-seat sections, you will need supporting stands.

If you're building bigger than a 4-seat sofa, look for add-on units. One thing's the same. We've still made it as easy as possible to buy with our ready-made combinations.

Protecting & caring for HAVSTEN

The best way to extend the life of your outdoor furniture is by cleaning it regularly and not leaving it outdoors unprotected more than necessary.

Clean: With a mild soapy solution.
