SOLLERÖN

Outdoor Living Furniture Series

Customise your outdoor sofa

SOLLERÖN is a series of outdoor lounge furniture which consists of various sections to use individually, or combine them to create a modular sofa that suits you. Do you want a cosy corner to curl up in? An outdoor sofa for two? Maybe a long sofa to stretch out on and read? Or a comfortable seat for casual dinners? It's easy to disconnect the sections and reconfigure them in a new way. Or skip a sofa entirely and create seating with several armchairs. The choice is yours!

Comfortable and easy to care for

The SOLLERÖN series is made of handwoven plastic rattan with the same look as natural rattan. It's weather resistant and easy to care for – mild detergent and water are all you need. Add JÄRPÖN/DUVHOLMEN, FRÖSÖN/DUVHOLMEN, KUDDARNA or HÄLLÖ seat and back cushions for great comfort, and use decorative cushions like TOSTÖ to personalise your sofa. Most covers can be removed and machine washed. There's also practical storage under the seat.

Prices in this buying guide are valid at 1 September 2023, and are subject to change. All of the products shown here may not be available at the store. Please check [IKEA.com.au](https://www.ikea.com.au) or in-store for more details and current pricing. All units require assembly.

How to build

You can combine SOLLERÖN sections into a modular sofa that perfectly suits your needs. If you want to make a different

combination at a later time, it's easy to disconnect the sections and reconfigure them in a whole new way.

Combinations

Made for comfort. Creating outdoor seating you'll love couldn't be easier. One or more armchairs makes for a comfortable solution. Especially since the seat height and the angled back have been designed to give you a relaxing sitting position.

Protecting and caring for SOLLERÖN

The best way to extend the life of your wooden outdoor furniture is by cleaning it regularly, not leaving it outdoors unprotected more than necessary and to re-stain it on a regular basis.

Cleaning

Wipe clean with a soft cloth dampened in water and a mild soapy solution. Wipe dry with a clean and dry cloth.

Maintenance

To prevent the surface from drying out and cracking and moisture from penetrating into the wood we recommend you to re-stain the furniture on a regular basis, for example once a year. How often you will need to do this will depend on how exposed the furniture is to the wear and tear.

For furniture that stands in the open air, a good indication that you need to re-stain is if raindrops are absorbed directly into the wood and no longer form small beads on the surface.

Storing

If possible, store your outdoor furniture in a cool and dry place indoors off season. If the furniture is left outdoors, make sure to protect it with a waterproof cover and if possible tilt the furniture to make it easier for any water to drain away. After a rain or snowfall, wipe off excess water or snow from flat surfaces. Allow air to circulate, to avoid condensation.
