IKEA offers a click a collect service for IKEA furniture and home furnishing products (**IKEA Products**), allowing customers to order and pay for IKEA Products online or in store and collect them from either an IKEA store, an IKEA Locker (where available), or a designated IKEA collection point of your choice.

- 1. Terms and Conditions:** These terms and conditions (**Terms**) form a legally binding contract between you, a customer who has elected to use our Click and Collect in Store, Click and Collect from Locker (where available) or Click and Collect Near You service (the **Click and Collect Services**) in relation to your purchase of an IKEA Product (**Customer, you and your**), and IKEA Pty Limited (**IKEA, we, us and our**). These Terms govern the Click and Collect Services to be provided to you. You are deemed to accept these Terms and Conditions when you place an order for the Click and Collect Services.
- 2. Subcontractors:** We subcontract parts of the Click and Collect Services to our trusted service providers (**Service Providers**). The Click and Collect Services may be performed by the Service Providers. IKEA will always remain responsible for the performance of the Click and Collect Services to you.
- 3. Click and Collect methods:** IKEA offers Customers three options for the Click and Collect Services: "Click and Collect in Store", "Collect from Locker" (where available) and "Click and Collect Near You".

You will be required to select one of these Click and Collect Services at the time of purchase of the IKEA Products:

- (a) Click and Collect in Store:** If you select Click and Collect in Store at the time of purchase of the IKEA Products, IKEA will prepare your order for collection from your chosen IKEA store.
- 4. Click and Collect Near You:** If you select Click and Collect Near You at the time of purchase of the IKEA Products, IKEA will deliver your order to one of [IKEA's designated collection points](#) (**IKEA Collection Point**) (as selected by you).
- 5. Click and Collect from locker (Available from Rhodes store only):** If you select Click and Collect from Locker at the time of purchase of the IKEA Products, IKEA will place your order in an IKEA locker located at the Rhodes store only.
- 6. Service fees and payment:** A fee may be payable for the Click and Collect Services (**Click and Collect Service Fees**). For more information and the details of our Click and Collect Fees, please see: [Click and collect options and pricing](#).

Click and Collect Service Fees for the Click and Collect in Store service, Click and Collect from Locker service and the Click and Collect Near You service will differ. Please refer

to the IKEA Australia webpage (at www.ikea.com/au/en/customer-service/services/click-collect/) for current fees charged for this service. While great care has been taken to ensure the accuracy of all prices and descriptions, IKEA reserves the right to correct any errors and adjust prices (including GST or other statutory charges that are out of our control).

If applicable, you will be required to pay the Click and Collect Service Fees at the time of booking the Click and Collect Services.

7. **Collection dates and times:** When you purchase the IKEA Products, you will be given the option to select an available time slot and date for your collection (the **Collection Date**) and either an IKEA Store, IKEA Locker (where available) or Collection Point (**Collection Location**). We will use our best endeavours to ensure that your IKEA Products are available for collection on the Collection Date at the Collection Location, but there may be times where we are unable to do this, and your Collection Date may need to be amended. You can track the status of your order by visiting <http://www.ikea.com.au/track>.
8. **Changing your order:** If you would like to change your order for Click and Collect Services, please contact the IKEA Customer Support Centre. The IKEA Customer Support Centre will notify you of any changes to the Click and Collect Service Fees that may apply. Revising your Delivery Location or chosen Delivery Method may result in a delay or change to your estimated Collection Date.
9. **Services available at Collection Points:** For Click and Collect Near You Services, it is not possible to purchase additional products at the IKEA Collection Point. Additionally, no returns, refunds or exchanges are available at the IKEA Collection Point.
10. **Collect your order:** You will be notified by email when your order is ready for collection at the Collection Location on the Collection Date. When you collect your order at the Collection Location, you will need to show the following:
