## Cross Stitch Pattern

This International Day Against Homophobia, Transphobia and Biphobia (IDAHOTB), 17 May, we have redesigned the traditional HOME SWEET HOME sign to become HOME PRIDE HOME.

A new universal symbol to proudly display to help the LGBT+ community feel included and accepted, wherever home is.

Download our HOME PRIDE HOME cross stitch pattern so you can stitch this symbol to any fabric item you see fit, so you too can display it with pride.
