BILLY for book lovers
This is BILLY – our most versatile bookcase. It can be the start of your own library, where your books are protected and you feel inspired to read. BILLY comes in several heights and widths, finishes and materials to suit all books and rooms. When your library grows, you can add extra shelves and height extension units to suit your needs.

Better and better, day by day
BILLY bookcase was born in 1979 and soon became a popular favourite. But, you should never take an old friend for granted, which is why we’re constantly working to improve the details and make the bookcase even better. Some improvements are hardly noticeable, while others you can see – since we have made BILLY more durable, improved the finish and made the shelves even stronger.
