Ultimate comfort outdoors and maintenance-free
With the KUNGSHOLMEN outdoor modular sofa series you can combine sections to create a sofa in a shape and size that perfectly suits you. From a small two-seater to a large sprawling sofa with a chaise longue. Even one with an integrated coffee table. The series is made of durable, weather-resistant plastic rattan and rustproof aluminium, so it’s completely maintenance-free. Add FRÖSON/DUVHOLMEN or HÅLLÖ seat and back cushions for great comfort and use decorative outdoor cushions, such as SÖTHOLMEN and GULLINGEN to personalise your sofa.

Protecting and caring for KUNGSHOLMEN

The best way to extend the life of your outdoor furniture is by cleaning it regularly and not leaving it outdoors unprotected more than necessary.

Storing
KUNGSHOLMEN sofa frame:
If possible, store in a cool dry place indoors. If the furniture is stored outside, cover it with a waterproof cover. After a rain or snowfall, wipe off excess water or snow from flat surfaces. Allow air to circulate to avoid condensation. In freezing temperatures, plastic can weaken and is not recommended for use.

Cushions:
Store the sofa cushions in a cool, dry place indoors when the season is over, preferably in a storage bag or storage box to protect from dirt and dust. Make sure the cushions are completely dry before storing them away.

Cleaning
Wipe clean with a mild soapy solution. HÅLLÖ and FRÖSÖN cushion covers for back and seat cushions are removable and machine washable.

Maintenance
Requires no maintenance.
