- 1. Terms and Conditions:** These terms and conditions (**Terms**) form a legally binding contract between you, a customer who has elected to receive Delivery Services in relation to your purchase of an IKEA product (**Customer, you and your**), and IKEA Pty Limited (**IKEA, we, us and our**). These Terms govern the Delivery Services to be provided to you. You are deemed to accept these Terms and Conditions when you place an order for Delivery Services.
- 2. Subcontractors:** We sub-contract the Delivery Services to our trusted transport service providers (**TSP**). You Acknowledge that our TSPs will provide the Delivery Services to you, on IKEA's behalf.
- 3. Minimum Order Value;** All delivery services require a minimum order amount of \$15.00 (and as calculated after all discounts applied). Any Service charges or delivery fees are not included in the calculation of the minimum order amount. For orders that do not meet this amount, delivery/collect services will not be available and will not be offered.
- 4. Preconditions to Services:** You acknowledge and agree that as a condition for the TSP to provide the Delivery Services:
 - (a) you must ensure that the TSP is provided safe access to the Delivery Location (see clauses 7 and 16 of these Terms);
 - (b) you must ensure that someone over the age of 18 is available to physically accept the Delivery Services at the Delivery Location at the time of delivery (except where Authority to Leave has been provided in accordance with clause 11 of these Terms; and
 - (c) you will be responsible for ensuring that you provide complete, correct and accurate information and instructions regarding the Delivery Location to enable us to provide the Delivery Services (see clauses 12, 14 and 6 of these Terms).Our TSPs may not be able to provide the Delivery Services if these conditions are not satisfied.
- 5. Delivery Methods:** IKEA offers Customers two options for Delivery Services:
 - (a) "Delivery to the door" (see clause 6); and
 - (b) "Delivery into your home" (see clause 7) (the **Delivery Methods**).

You will be required to select a Delivery Method at the time of booking the Delivery Services.

- 6. Delivery to the door:** If you select "Delivery to the door" at the time of purchasing your IKEA Products, the TSP will deliver your purchase to the front door of your nominated delivery address

(Delivery Location). This option has a 250kg limit and will not be displayed on the checkout screen if the weight limit has exceeded this threshold

- a. If your Delivery Location is **a residential apartment or unit**, the TSP will only deliver to the front door that serves as the main entrance to the communal foyer and/or main lobby (or the like) of your building located on ground floor (rather than your actual individual residential apartment and/or suite within the building)
- b. If your Delivery Location is a standalone residential home, the TSP will deliver to your main entrance door but will not enter your residence (and are directed to decline any additional requests regarding delivery within your residence)

If you book "Delivery to the door", the TSP may leave your delivery at the main entrance/foyer/lobby/by your front door on ground level (in as safe and secure of a location as is reasonably possible) at the Delivery Location if you are not home at the time of the delivery of the IKEA product (s). The TSP will always take a photo of proof of delivery to this location should delivery occur without your presence.

7. **Delivery into your home:** (Note: If your goods for delivery weight in excess of 250kg, this option will be the only delivery option available to you). If you select "Delivery into your home" at the time of purchasing your IKEA Product(s), the TSP will deliver your IKEA Product(s) inside your home as directed by you. The TSP will move the IKEA Product(s) into a nominated room within the Delivery Location indicated by you at the time of the Delivery Services (**Room of Choice**). You will need to select one Room of Choice per delivery (even if there is more than one item within your delivery).

If you select "Leave order at doorstep if I am not home" or provide *Authority to Leave* in accordance with clause 11 of these Terms, the TSP may leave your delivery in a safe and secure location at the Delivery Location.

For "Delivery into your home", the TSP may take your delivery up to the third floor of your building or home, if access is by stairs (and with no lift or elevator available that will accommodate the delivery). If there is a suitable lift or elevator, there is no restriction to which floor the delivery can be made to (provided that the lift or elevator functions as per normal). In both cases, you must ensure that sufficient access is available via a staircase or lift. If sufficient access is not available via a lift or staircase, or sufficient access is available via a staircase but the Room of Choice is higher than 3 floors above ground level, the TSP may fail the delivery, or leave your delivery in a place that is mutually agreed to by yourself and the TSP.

If the TSP is unable to complete the Delivery Services due to you or your representative not being home or due to you providing us with incomplete or incorrect delivery information, a second attempt will be made for the next available date. We will inform you of the new delivery date. If the second attempt to deliver is also unsuccessful, your order will be cancelled, and the cost of the associated IKEA products will be refunded to you, using your original payment method.
