Our kitchens

Whether you are looking for the kitchen of your dreams that fits perfectly into your home or a more basic version that is easier to purchase and faster to install – there is one for every taste and price tag. Check out our different kitchens to find the one that suits your needs the best. Find more details at [IKEA.ca](#).

ENHET for creative simplicity

Explore the possibilities of open and closed storage while spending less time planning, shopping and installing. Choose one of our many ready-made ENHET kitchens as is, or fine-tune it online with the ENHET kitchen configurator.

SUNNERSTA mini-kitchen

If you want a kitchen that fits into a smaller space, SUNNERSTA is there to help you out. And if you move, this affordable and easily assembled unit can go with you.

SEKTION for endless possibilities

If you want a customizable kitchen that uses your space optimally and has a wide selection of fronts in many styles and colours, as well as interior organizers for perfect organization on the inside, the SEKTION kitchen system is your choice. It requires attention to detail when it comes to measuring and planning, but the reward is a kitchen that has precisely the functions and look you desire.

KNOXHULT for basic needs

When a basic kitchen is all you need and you don't feel like making tons of decisions along the way, our KNOXHULT kitchen units offer you a complete kitchen without the frills. Just add a sink, a faucet, appliances and knobs or handles.

Find the way to your dream kitchen

Make the path to your new kitchen as smooth as possible. We have the tools that you need to get started (and finish it, too). Just follow the steps below to ensure that your buying process goes well. For more information about our different kitchens and services, talk to our kitchen experts at your local IKEA store or visit us at [IKEA.ca](#).

Find your style

It's time to dream a little, consider your needs and decide what you want from your kitchen. Check out this brochure, our buying guides, visit [IKEA.ca/kitchens](#) or your local IKEA store for more information on the highly customizable SEKTION, the ready-made ENHET kitchens that you can tweak in the ENHET kitchen configurator, or a simpler KNOXHULT or SUNNERSTA kitchen.

Measure

The measurements will form the foundation of your planning. To see what to measure, pick up a copy of the planning guide at your local IKEA store or download it at [IKEA.ca/kitchens](#). Make sure that your selected kitchen fits your space and invest a little extra time if you have chosen a completely optimized SEKTION kitchen or a ready-made ENHET solution. Contact our kitchen experts at your local IKEA store if you have any questions.

Plan

Planning your kitchen is when your dreams and ideas take shape. Use our 3D IKEA planning tool to start planning your SEKTION kitchen at [IKEA.ca/kitchens](#). The ENHET kitchen configurator will help you tweak your ENHET ready-made solutions in the best way. If KNOXHULT is your choice, you can check out all available units online. And if you're in need of a professional, we're here to help.

Order

When you're satisfied with your kitchen plan, ordering your kitchen is easy. Our kitchen experts can provide an installation price quote (if available for your installation address) as well as help arrange delivery of your kitchen. Most IKEA locations carry the complete range of kitchens in their stores so it's possible for you to take it home yourself. Contact your local store to check for availability.

Install

IKEA kitchens are designed to be installed by you, but we're here to offer as much help as you need. You can start by picking up the Installation guide from the store or online, which gives step-by-step instructions on how to install your kitchen. Visit [IKEA.ca/kitchens](#) to learn more about our installation service.

Planning & design services
If you need support with a basic planning or a complete interior design solution, discuss your ideas with our team of kitchen experts. We'll help you nail them down in detail.

Reduce, reuse and recycle

Contribute to a more sustainable lifestyle by making sure that you use all the food that you buy. And don't forget anything in the back of your fridge! The SNURRAD storage turntable pulls out and revolves, so that you can see and reach even the smallest jar. When you're done cooking, you can sort different materials in the HÅLLBAR bins – a simple action and the first step toward giving waste a new life.

Limited warranties

IKEA kitchens are made to stand up to the rough and tumble of everyday life in your home. Day in, day out, year after year. In fact, we're so confident of the quality of your products that we offer generous warranties on our kitchens, countertops, appliances and faucets – all for free.

In our test labs we open and close SEKTION kitchen drawers 200,000 times to make sure they can handle everyday kitchen life for at least 25 years – with limited warranty for free.

25 The SEKTION kitchen system, sinks and pre-cut laminate countertops have a 25-year limited warranty.

10 The ENHET kitchen system and kitchen faucets have a 10-year limited warranty.

5 Appliances have a 5-year limited warranty.

General information

What is covered by the limited warranty?
The extent of the warranty given for each product is described alongside each product.

Duration of limited warranty
Each limited warranty lasts for the number of years stated against each product starting from the date of purchase.

What will IKEA do to correct the problem?
IKEA will examine the product and decide if it's covered under this limited warranty. IKEA will then, at its sole discretion, either repair the defective product or replace it with the same or a comparable product. In these cases, IKEA will be responsible for the cost of repairs, spare parts, labor and travel for repair staff that IKEA incurs, provided that the product is accessible for repair without IKEA incurring additional expenditure to gain access. This will not apply in cases where repair work has not been authorized by IKEA. Any defective parts removed in the course of repair work will become the property of IKEA. If the item is no longer sold by IKEA, IKEA will provide an appropriate replacement. IKEA will decide at its discretion, what will constitute a fair replacement.

Conditions for the limited warranties
The limited warranties are valid from the date of purchase at IKEA or date of delivery if later. The original purchase receipt is required as proof of purchase.

Exclusions
The limited warranty does not cover custom-made countertops and does not apply to products that have been stored or assembled incorrectly, used inappropriately, abused, misused, altered, or cleaned with wrong cleaning methods or wrong cleaning products. The limited warranties do not cover normal wear and tear, cuts or scratches, or damage caused by impacts or accidents. The limited warranties do not apply if products have been placed outdoors or in a humid environment or if the products have been used for non-domestic purposes (unless otherwise stated). The limited warranties do not cover consequential or incidental damages.
