

Back to School Refresh

New products and
fresh ideas at
refreshingly low prices

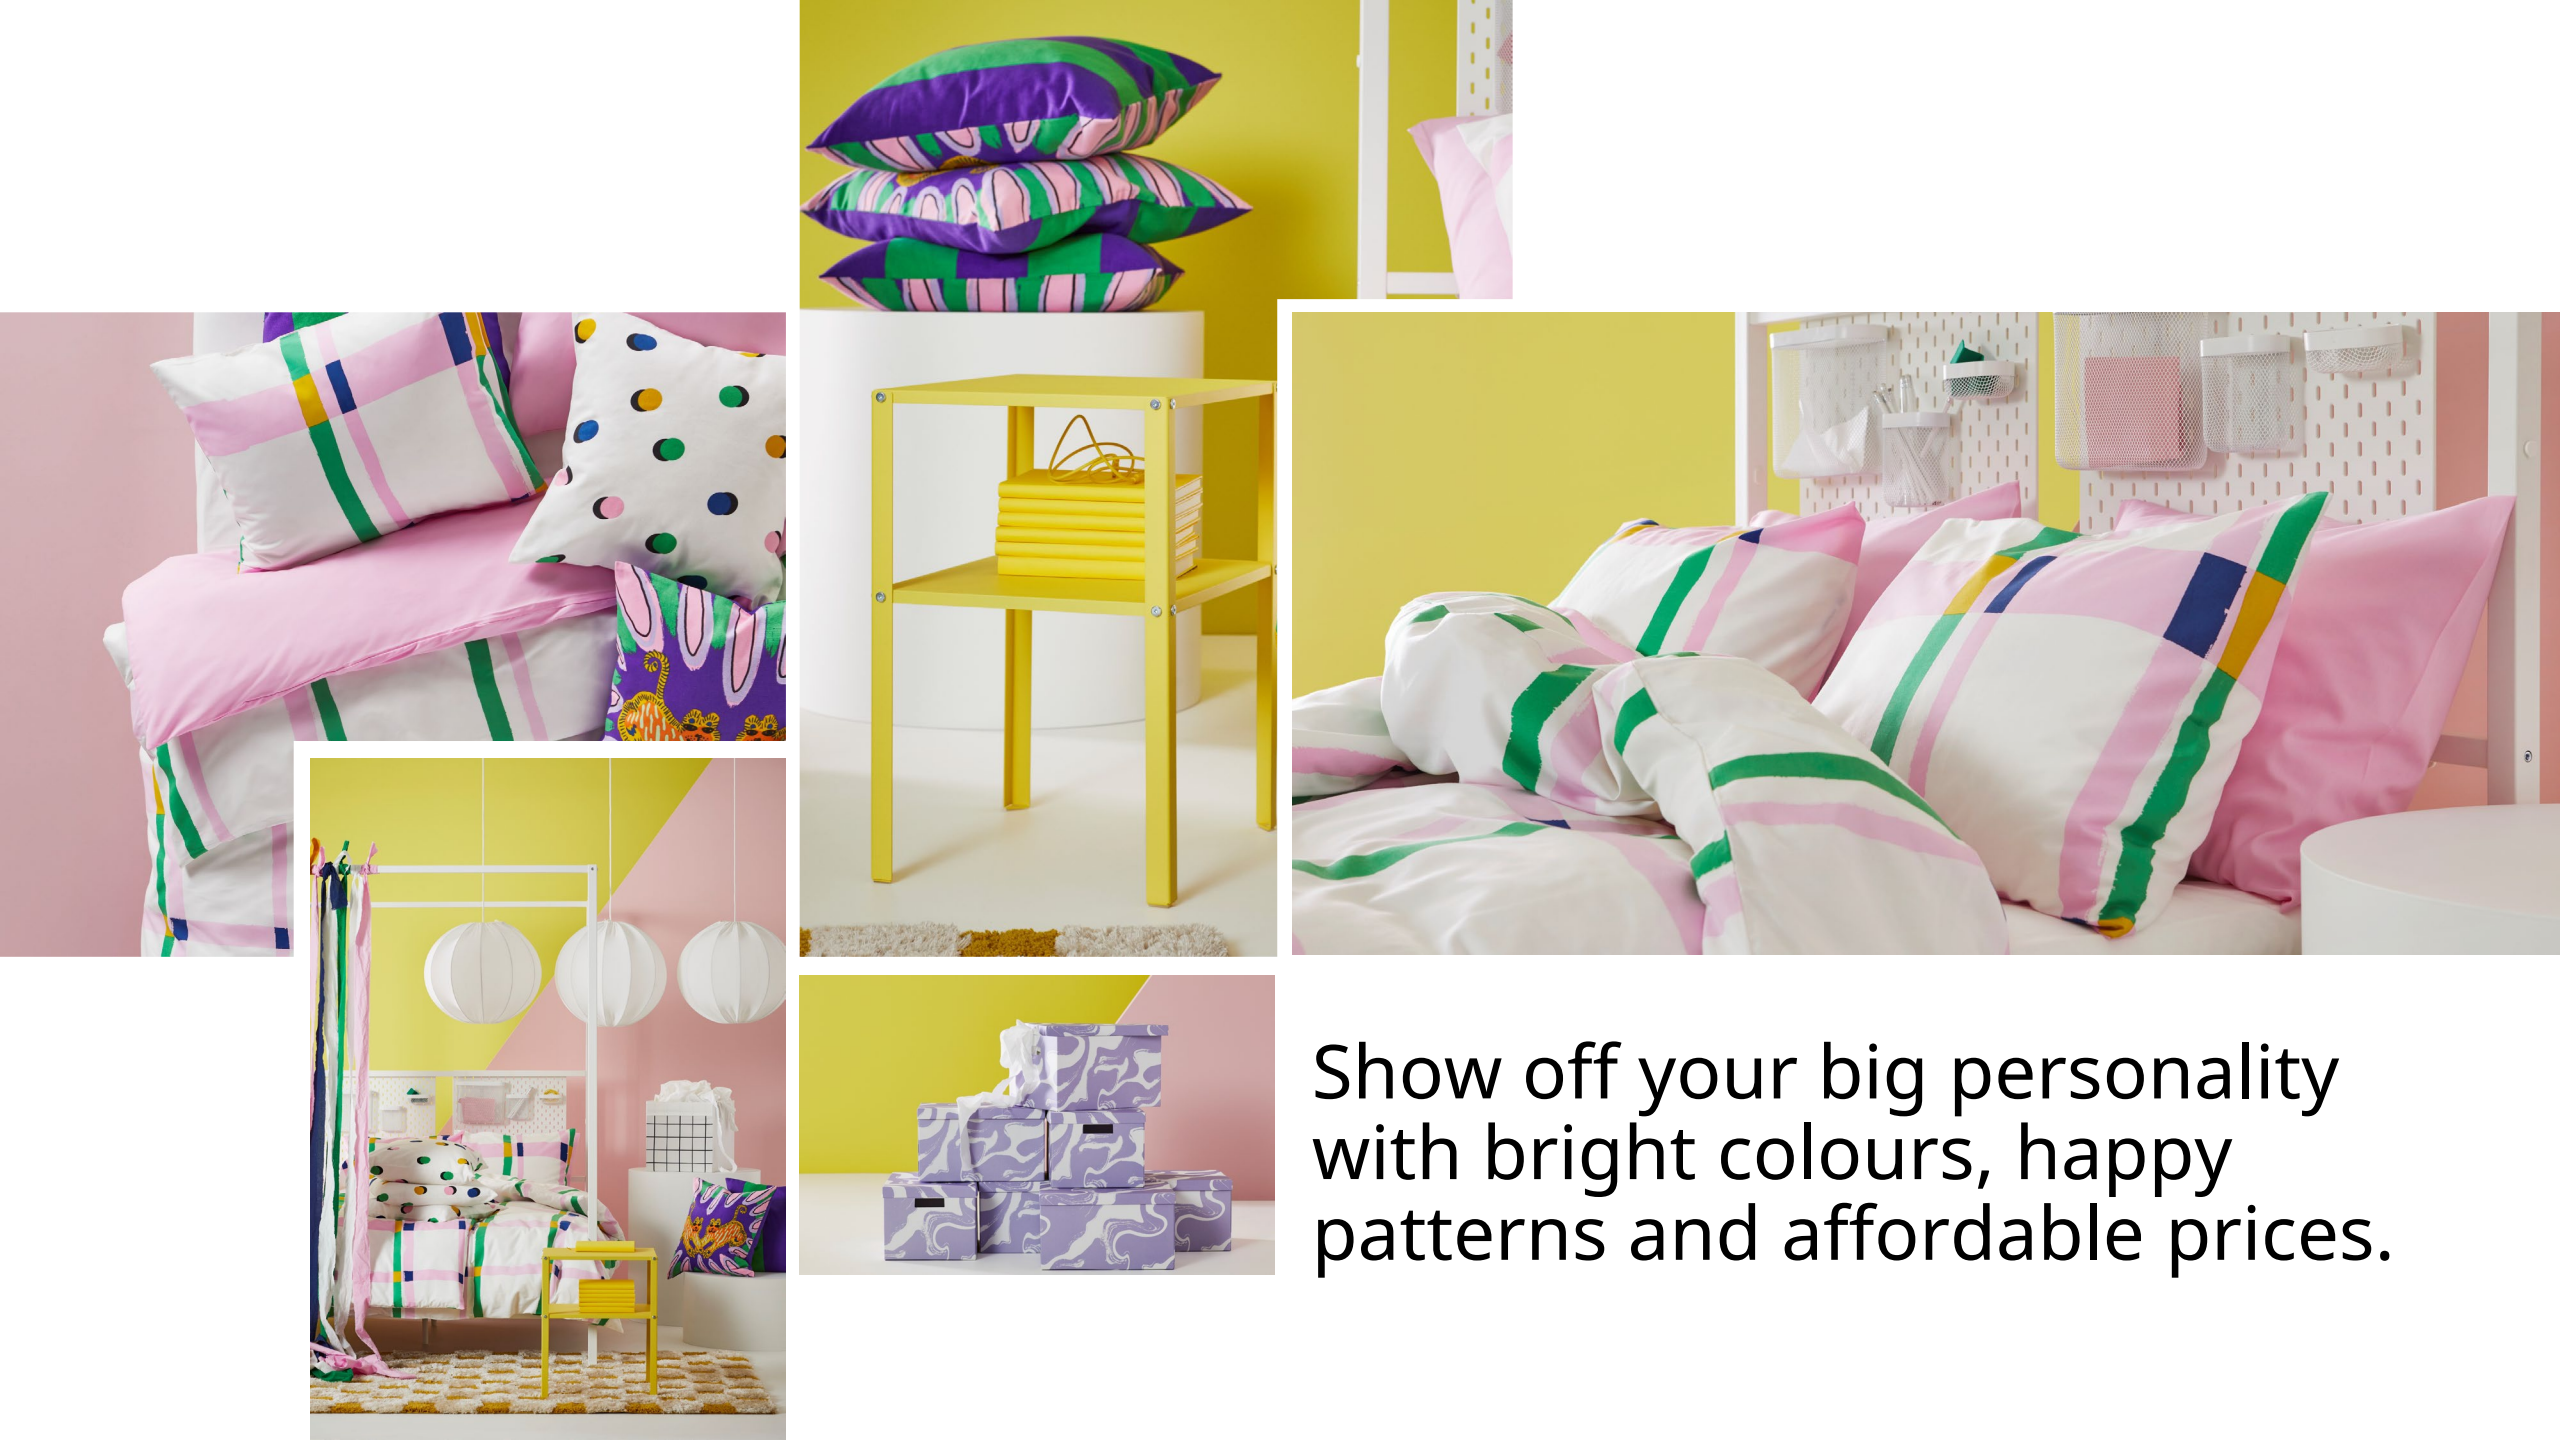

Something
for the
Maximalist
in you!

We want to show that it's perfectly possible to refresh your home at a low cost. Small changes can certainly make a big difference.

The only thing that matters is that it fits your home and your budget. A new cushion cover might be all you need. We like that.

Show off your big personality
with bright colours, happy
patterns and affordable prices.

Come on in and
smell the flowers

If happy was a pattern,
this would be it.

MURREVA is an explosion of
colour and humour.

Easy to match with almost
any other colours – and easy
to love.

"The pattern for VILDPERSILJA curtains and cushion covers is one that had been simmering in my mind for a while. It's inspired by the old houses that line the streets of Visby, Gotland where I live, with charming walled gardens full of roses, fruit trees, hollyhocks, ivy, daisies, marigolds, figs and walnut trees. Whether you are looking to add life and a splash of colour to a neutral-toned space or to make your urban flat cozier – this versatile pattern connects you to nature."

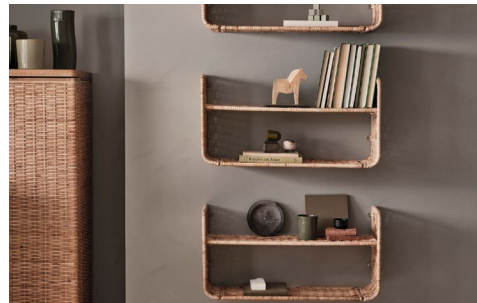

- Designer Emma Prowse

Super Naturals

See the light with
FRYKSÅS
and SALNÖ!

"We want FRYKSÅS to bring warmth into a home – an appreciation of things that are well crafted, well built, and that will last a lifetime."

- Co-designer Kristin Pfannenschmid

Textiles to Express Yourself

Sew Into Tyg!

We are happy to introduce a collection of 3-metre pre-cut fabrics in cheerful and graphic patterns made to spark your imagination.

A piece of fabric is like an empty page – filled with possibilities. Use it to patch up your favourite jeans, create a fantasy creature, or make an apron with fifteen pockets.

The Tyg collection can be the start of a new adventure, a new you and a new tomorrow.
