KNOXHULT
Kitchen series

CARE
Wipe clean the cabinets with a cloth damped in water or a nonabrasive detergent. Wipe dry with a clean cloth. Always wipe length-ways.

SAFETY
Different wall materials require different types of fixing devices. Use fixing devices suitable for the walls in your home, sold separately.

GOOD TO KNOW
The hinges are adjustable vertically, horizontally and in depth; makes it easier to mount the door in an exact position. The doors can be mounted left or right. There are adjustment possibilities to make the frame stand steady on slightly uneven surfaces.

Requires assembly.
