

KNOXHULT

Kitchen series

Care

Wipe clean the cabinets with a cloth dampened in water or a nonabrasive detergent. Wipe dry with a clean cloth. Always wipe length-ways.

Safety

Different wall materials require different types of fixing devices. Use fixing devices suitable for the walls in your home, sold separately.

Good to know

The hinges are adjustable vertically, horizontally and in depth; makes it easier to mount the door in an exact position. The doors can be mounted left or right. There are adjustment possibilities to make the frame stand steady on slightly uneven surfaces.

Requires assembly.
