

ENHET

Kitchen system

10

ENHET kitchen system has a 10-year limited warranty. Read more in the warranty brochure.

Plan less, live more

ENHET is easy to buy and equally easy to update if you need to, or simply feel like it. You can choose between ready-made kitchen combinations online and buy your favourite with a few clicks. All parts are easy to assemble, without any special tools.

The playful design in different colours inspires you to adapt ENHET to reflect your personality. With a combination of open frames and closed cabinets you can display your favourite things and hide the rest. The ENHET kitchen units come in different widths and depths, making it easy to adapt in a smaller space.

This is a reference guide created to better assist customers when purchasing products. While a high level of accuracy has been sought in its preparation, we cannot guarantee that there are no errors or omissions nor will we be bound by them. Availability may vary by store. Please see an IKEA co-worker or visit [IKEA.ca](https://www.ikea.ca) for more information.

Services

You can do it by yourself, but you don’t have to. Our broad service offer gives you the freedom to design your own price tag by choosing not only the products that suits your budget but also deciding how much you want to do yourself and how much you want us to do for you. On this page you'll find the different services that we can offer to help and support you. For more details about our services, talk to a co-worker at your local IKEA store or visit us at [IKEA.ca/kitchenservices](https://www.ikea.ca/kitchenservices)

Kitchen planning

Get help with the planning of your new kitchen, by choosing one of our planning services. Our planners will help you with functional solutions for everything from the placement of cabinets to appliances, and storage to lighting and sinks.

In-store assisted self planning
Drop-in to an IKEA store and we can assist you with your kitchen plans.

In-store one-on-one planning, up to 2 hours
If you prefer, you can schedule one-on-one in-store planning appointment with one of our kitchen experts.

Remote kitchen planning, up to 2 hours
Don't live near an IKEA? Our online planning service is perfect for you and you don't even need to leave your home. We will plan over the internet.

In-home one-one planning, up to 4 hours
Let us come to you. A kitchen planner from our independent service partner will come to your home to take your measurements and plan your kitchen right in your home.

Visit [IKEA.ca/kitchenservices](https://www.ikea.ca/kitchenservices) for pricing and to book your appointment today!

Measuring

If you want to be sure that your room drawing is as accurate as possible, one of our independent service providers will measure the room and check everything, from the placement of windows, doors, and power outlets to the material and condition of the walls.

Delivery

Whether you’re shopping in store or online, no matter how big the purchase, we'll do the heavy lifting and bring it all to your home or business.

IKEA kitchen and appliance installation

As an IKEA customer, you have the right to expect that your kitchen project will be completed with the greatest skill and care.

Our independent service provider not only have skillful hands but they also understand the inherent methods of installation required by the IKEA cabinet system. There is no question that correct installation will add years to the useful life of your kitchen.

With our help, you'll soon be cooking in the kitchen of your dreams.

Basic kitchen installation service

Basic installation is provided by an independent service provider and includes assembly and installation of cabinets, drawers, doors, and interior fittings.

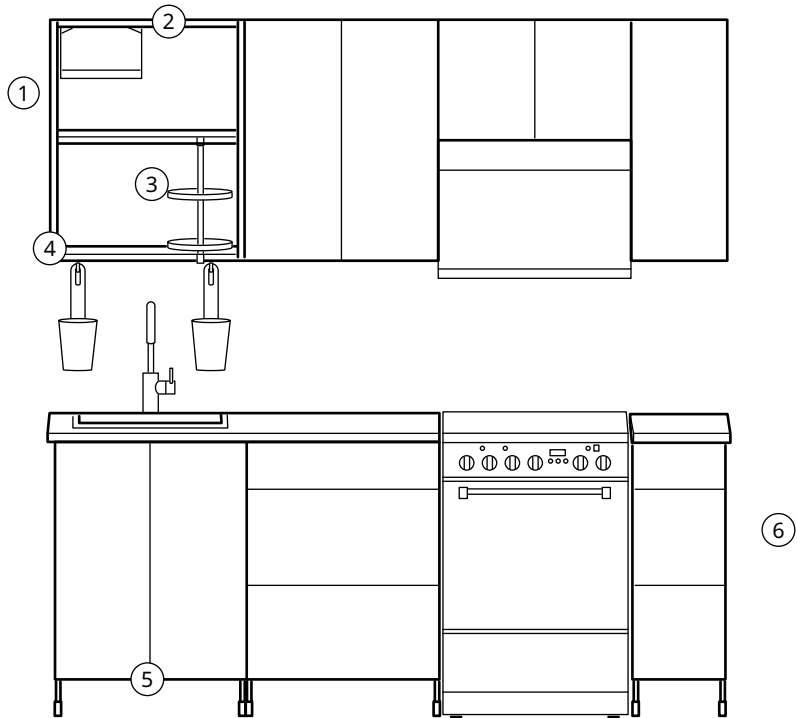

Price quotes are available through each service provider. See a co-worker to arrange your free installation price quote today with our independent service providers.

Visit [IKEA.ca/kitchenservices](https://www.ikea.ca/kitchenservices) for a complete list of all our installation services.

Organize your kitchen

A well organized kitchen is a kitchen you'll love spending time in. When planning what your kitchen should include, think of how you want to utilise your workspace, cabinets and open frames in the best possible way based on your personal needs.

There is a wide range of accessories designed to be combined with ENHET open frames to add more functionality and versatility to your ENHET solution. For all the functions of ENHET accessories check page 18.

- 1. An open frame above the sink, gives a good overview and keep things at hand while freeing up space on the countertop.
- 2. ENHET shelf inserts helps create storage space between the shelves in the ENHET open frame.
- 3. ENHET swivel shelf gives you quick and easy access to items like spice jars and and other frequently used items.
- 4. ENHET rail, hooks and SKATTÅN container allow you to utilize every inch under the wall frame.
- 5. The wide base cabinet with drawers gives you plenty of space to organize your kitchen utensils, larger items like chopping boards, bowls, pots and pans.
- 6. For a fully functional kitchen place a fridge at the end of the kitchen cabinet combination.

Storage combinations

Add space for activities

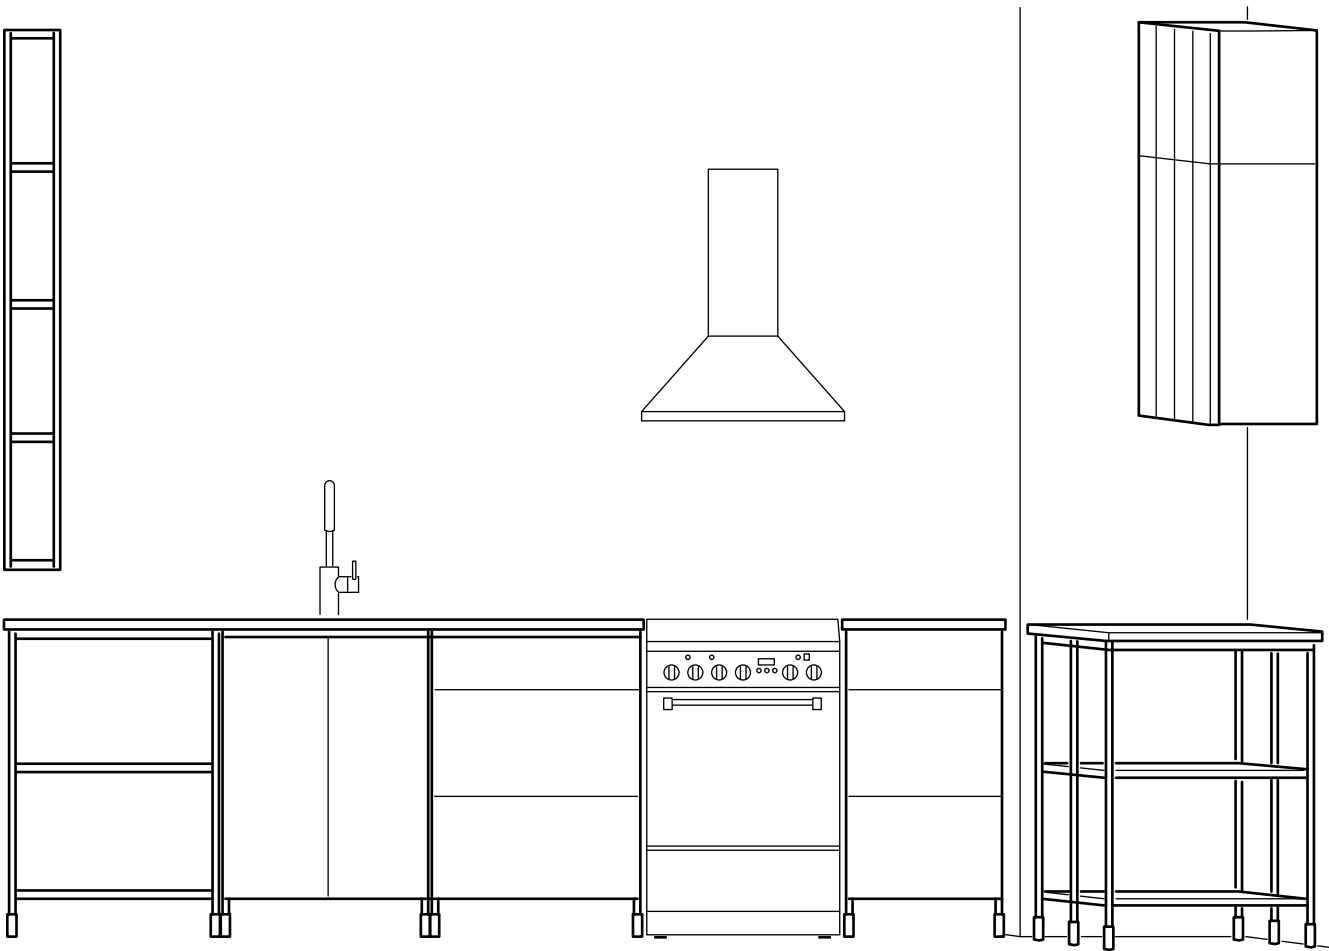

Your kitchen is the heart of your home and has to be both beautiful and functional over time. ENHET can easily be extended with units that offer more storage opportunities and maybe room for dining or simply hanging out. Cooking is also easier when you have plenty of workspace.

With this in mind we have created several storage combinations, all of them suit different needs and help you use your space efficiently.

A small-space home inspires smarter living. Add a wall storage combination offering extra counter space that can be used for food preparation. This unit also increases the storage area with its generous closed storage along the wall allowing you to hide the clutter. The open unit underneath can be used to store items that are used every day.

With everything in its place, in a combination of open and closed storage, you can create a calm and inviting atmosphere even in a smaller kitchen.

ENHET complete kitchen + ENHET storage combinations

For all ENHET complete kitchen combinations check page 8.
For all ENHET storage combinations check page 13.

ENHET hanging shelf insert , 10×11×6”. This insert adds a new dimension to your ENHET frame. It divides the storage space and makes room for more things in no time – simply hang it in the grooves of the frame and get organized. You don't need any tools and don't have to drill holes in the wall.	
Anthracite	405.145.59

ENHET swivel shelf , 16×8”. Tired of looking for those things that tend to disappear in the kitchen? You can easily solve this by attaching this handy swivel shelf to any of the wall frames in the ENHET series. You can find and reach the things you need by turning the shelf. Perfect to have as a spice rack to keep all the flavours close at hand when you are cooking.	
Anthracite	205.145.60

ENHET hook , 2-p. You can hang these hooks in the grooves under the ENHET frames – or on ENHET rail for hooks that is sold separately. With these hooks, you turn unused space into practical storage space. Perfect for everything from utensils and towels in the kitchen. Hang SKATTÄN containers on the hooks to make room for even more, sold separately.	
White	004.657.54
Anthracite	604.657.51

ENHET rail for hooks. With this rail you can utilise every inch under your ENHET frame for storage. In no time, you can create plenty of space for cutlery or utensils by adding ENHET hooks and SKATTÄN container, sold separately.

Kitchen faucets for ENHET

LAGAN Single-lever kitchen faucet, chrome-plated. This faucet saves water and energy, because it has a mechanism that reduces water flow while maintaining pressure. The chrome-plated brass surface is also hard, durable and easy to clean.

700.850.29

GLYPEN Kitchen faucet, stainless steel effect. This faucet saves energy and water, and because the insert has hard, durable ceramic discs it can handle the high friction that occurs when you change the water temperature.

704.423.92

EDSVIK Dual-control kitchen faucet, chrome-plated. With this high spout faucet you save energy and water, while making it easier to wash large things like pots. The chrome-plated brass surface is also hard, durable and easy to clean.

304.955.23

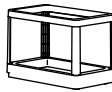

GAMLESJÖN Dual-control kitchen faucet, brushed black metal. With this high spout faucet you save energy and water, while making it easier to wash large things like pots. The chrome-plated brass surface is also hard, durable and easy to clean.
