

# Dear customers, please, follow these rules for the children's corner

In the interest of health and safety of children, only children with no infectious diseases, temperature, coughing or sneezing are accepted.

1. The child must wear the protective face mask, covering the mouth and nose, throughout the whole stay in this area. Not valid for children up to six years.
2. Point out your child to respect and follow the instructions of our staff in this area.
3. The disinfection tools are available, but can be used by your child under our staff supervision only.

Thank you for understanding
