El muntatge l'ha de fer un muntador autoritzat, perquè si el moble no es munta correctament podria caure i provocar danys a coses o persones. Com que hi ha moltes classes de materials de paret, no s'inclouen els cargols de fixació. Si no saps quines fixacions són les més adequades per a les parets de casa teva, posa't en contacte amb un especialista.
