ADVERTENCIA

Si un mueble vuelca, puede provocar daños de aplastamiento graves o mortales.

Para limitar el riesgo de vuelco de los muebles:

Fija SIEMPRE el mueble con los herrajes que se incluyen.

Asegúrate de que el mueble está fijado en todas las direcciones antes de empezar a usarlo.

En caso de duda, consulta a un profesional.

Lee y sigue cada paso de las instrucciones cuidadosamente.

Català

ATENCIÓ!

Si un moble bolca, pot provocar lesions greus o mortals.

Per reduir el risc que un moble bolqui:

Ancora SEMPRE el moble amb les ferramentes que s'inclouen.

Comprova que el moble estigui fixat correctament en totes les direccions abans de fer servir el producte.

En cas de dubte, sol·licita ajuda a un professional.

Llegeix i segueix atentament tots els passos de les instruccions.

Euskara

ABISUA

Lesioak gerta daitezke altzariak iraultzean, zapalketa larri edo hilgarriagatik.

Altzarien iraulketa-arriskua mugatzeko:

Finkatu BETI altzaria dakartzan burdinkiekin.

Egiatzatu altzaria norabide guztietan finkatuta dagoela erabiltzen hasi aurretik.

Zalantzarik izatekotan, jarri harremanetan aditu batekin. Irakurri arretaz eta jarraitu argibideetako urrats bakoitzari.

Galego

Advertencia

A envorcadura dun moble pode provocar feridas e lesións graves.

Para reducir o risco de envorcadura:

Fixa SEMPRE o moble cos accesorios que inclúe

Asegúrate de que o moble está ben suxeito antes de comezar a utilizalo

Se non estás seguro, busca a axuda dunha persoa profesional. Le e sigue as instrucións atentamente.

**Español**

Como los materiales de paredes y suelos varían, no se incluyen herrajes de fijación a la pared o suelo. Para recomendaciones sobre sistemas de tornillos adecuados, preguntar a un minorista especializado.

Català

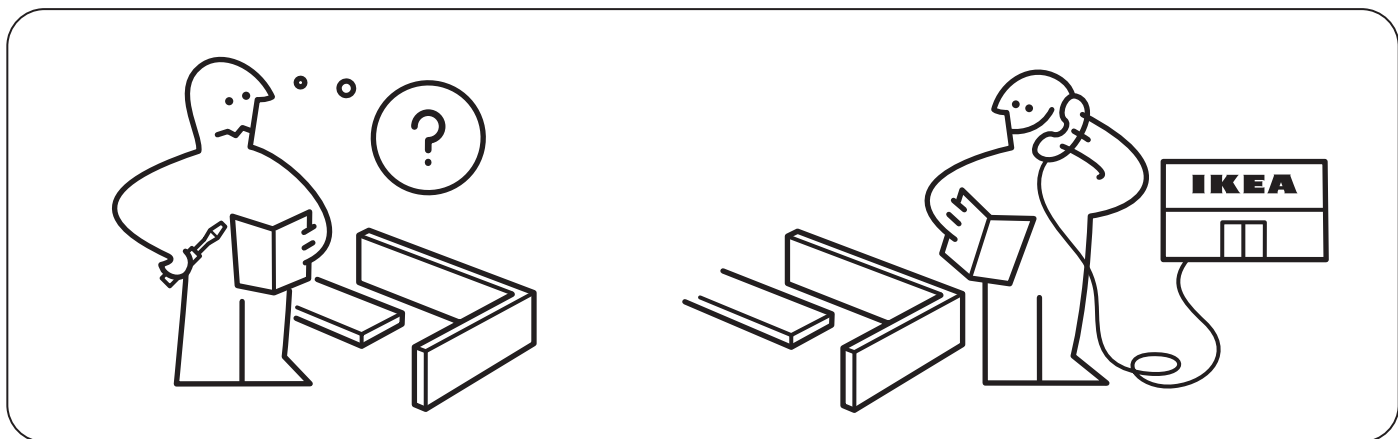

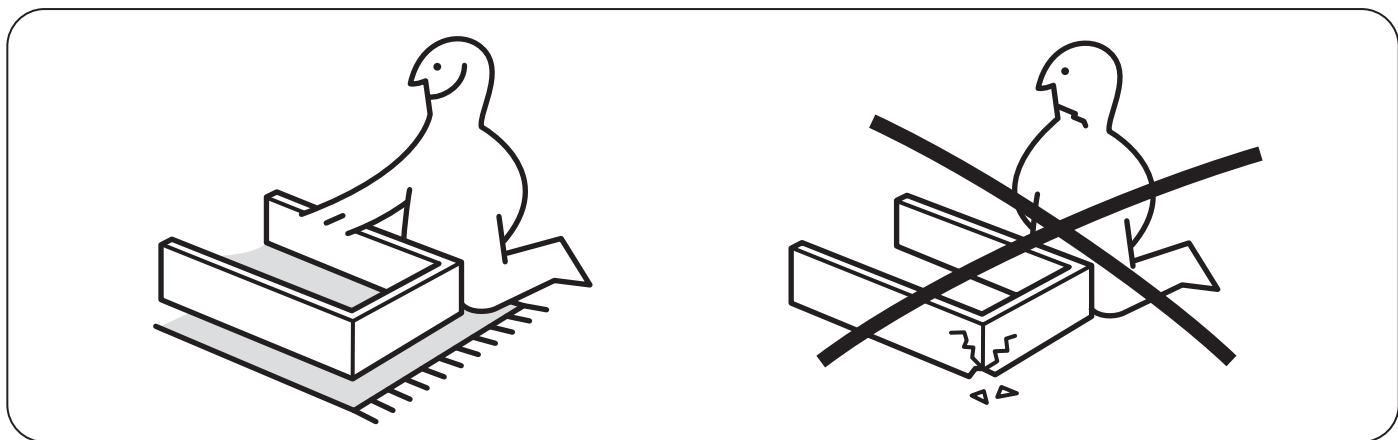

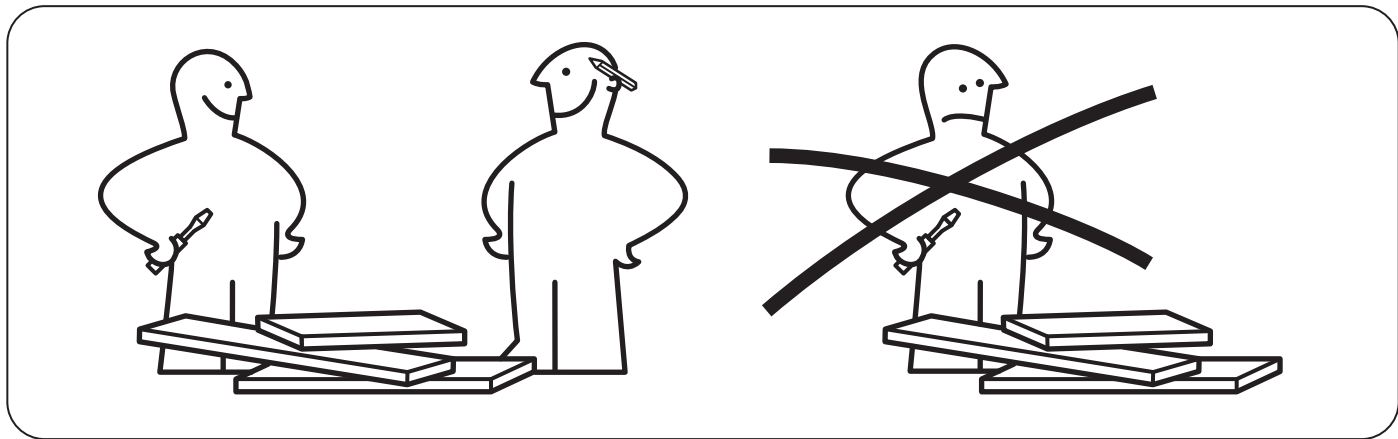

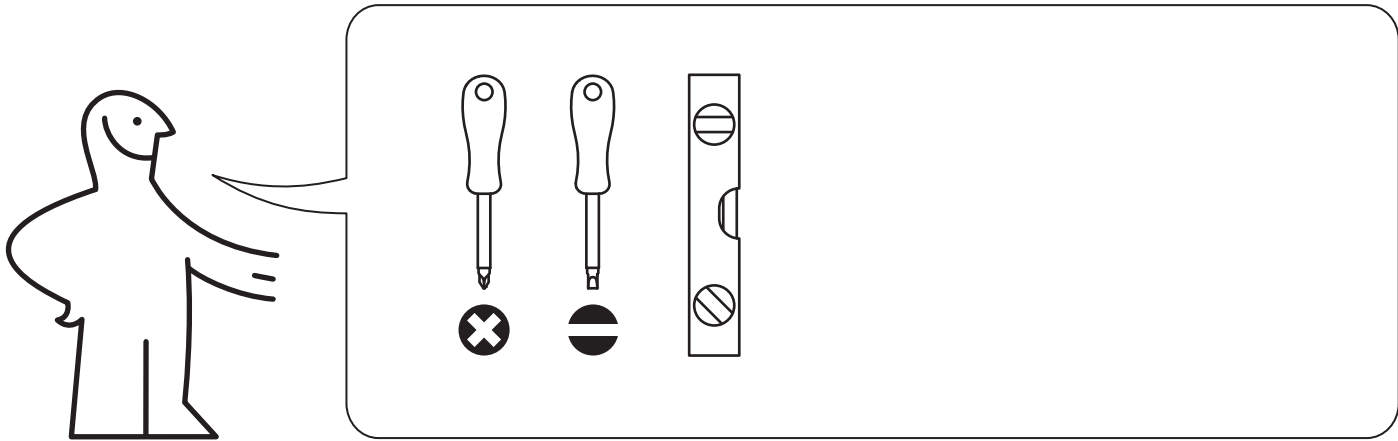

Com que les materials de les parets i els terres poden variar, no s'inclouen les ferramentes de fixació a la paret o al terra. Si tens dubtes sobre quin sistema és el més adequat, consulta un especialista.

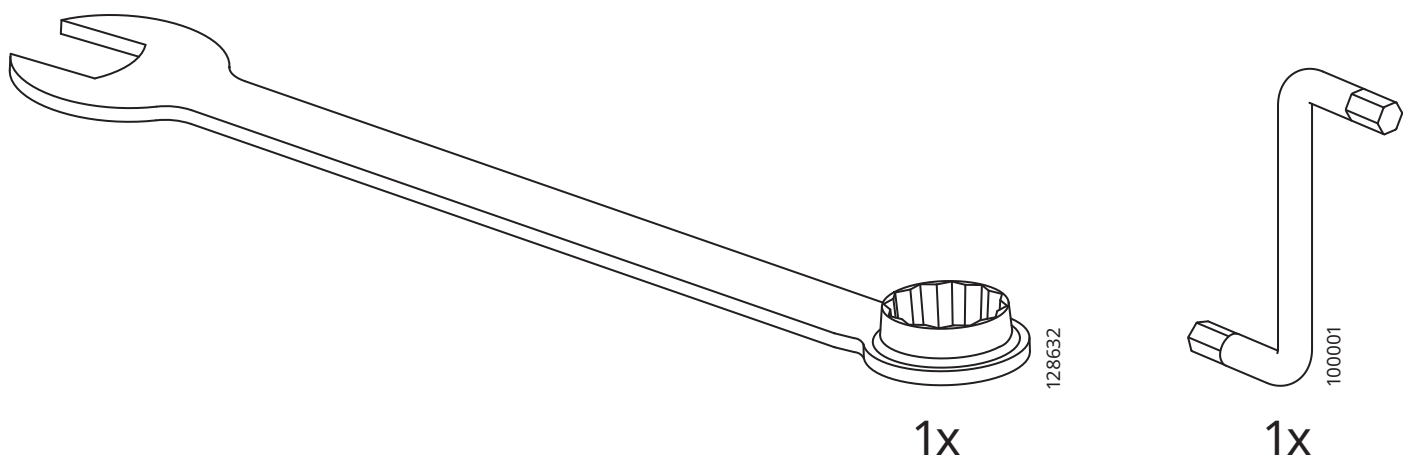

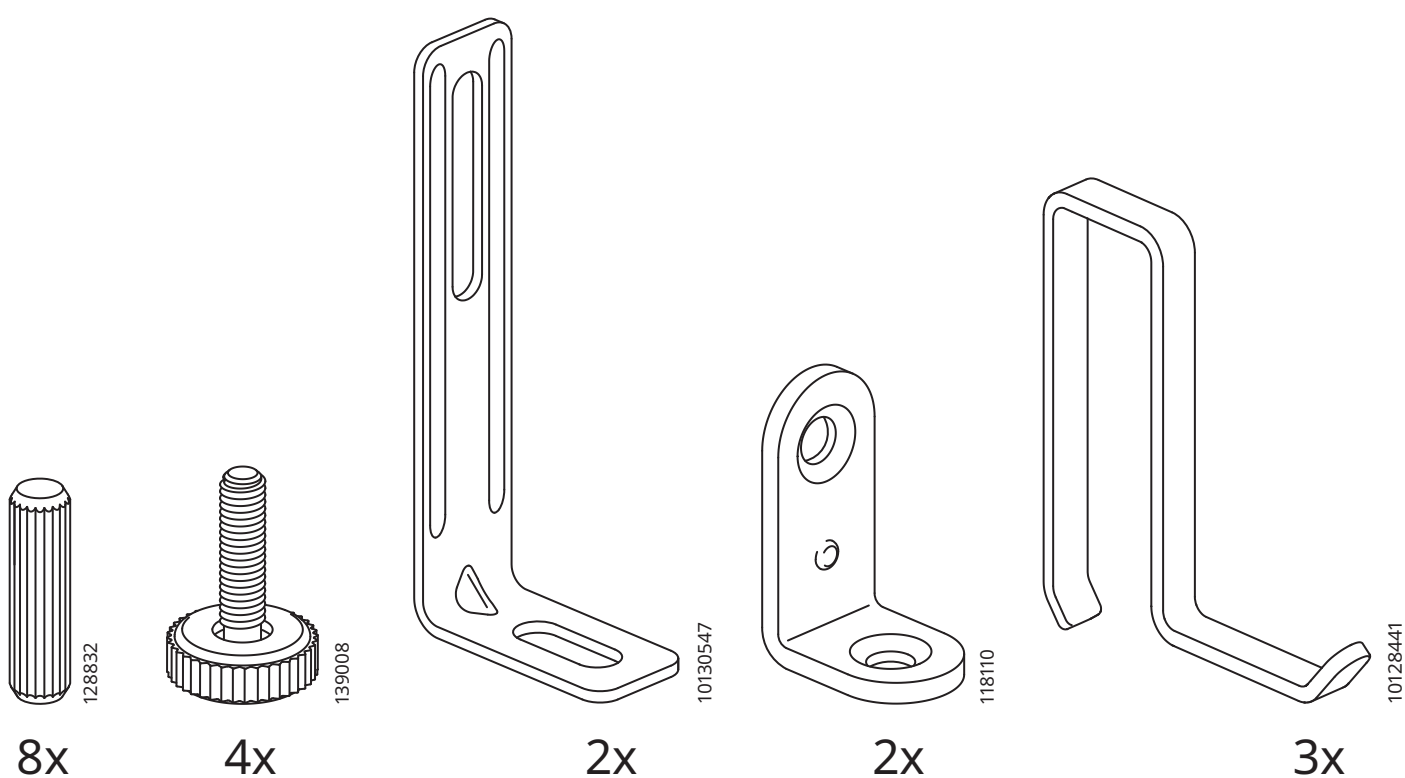

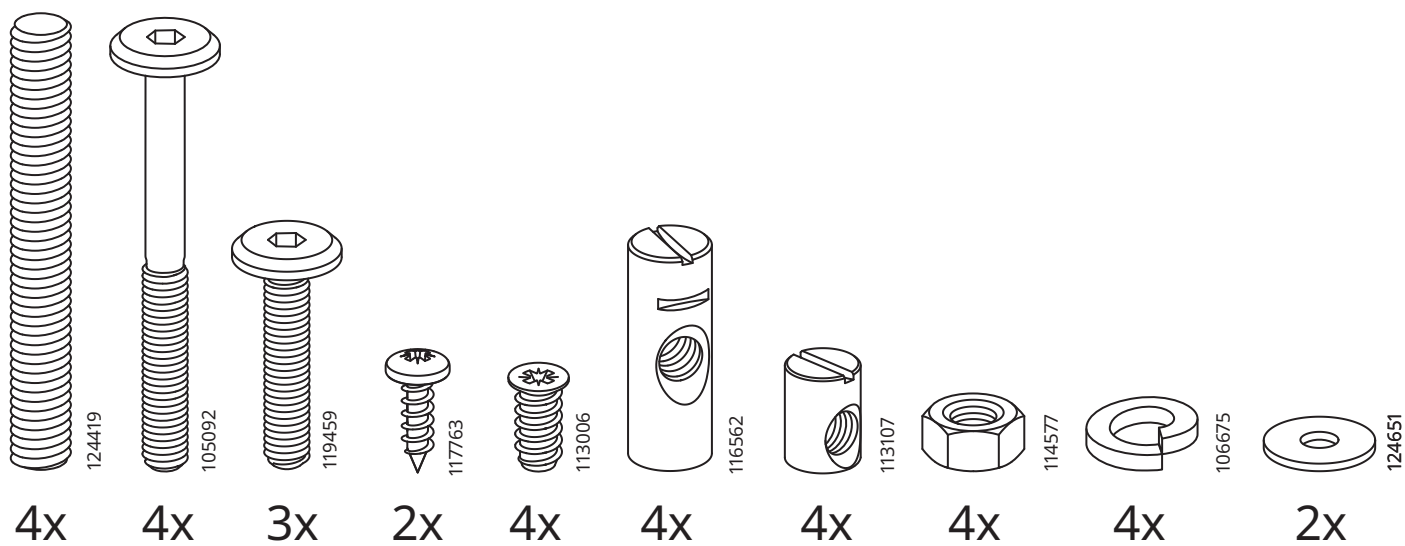

Euskara

Hormen eta zoruaren materialak desberdinak direnez, horman edo zoruan finkatzeko torlojuak bereiz saltzen dira. Galdetu aditu bati zein den finkatzeko sistematik egokiena.

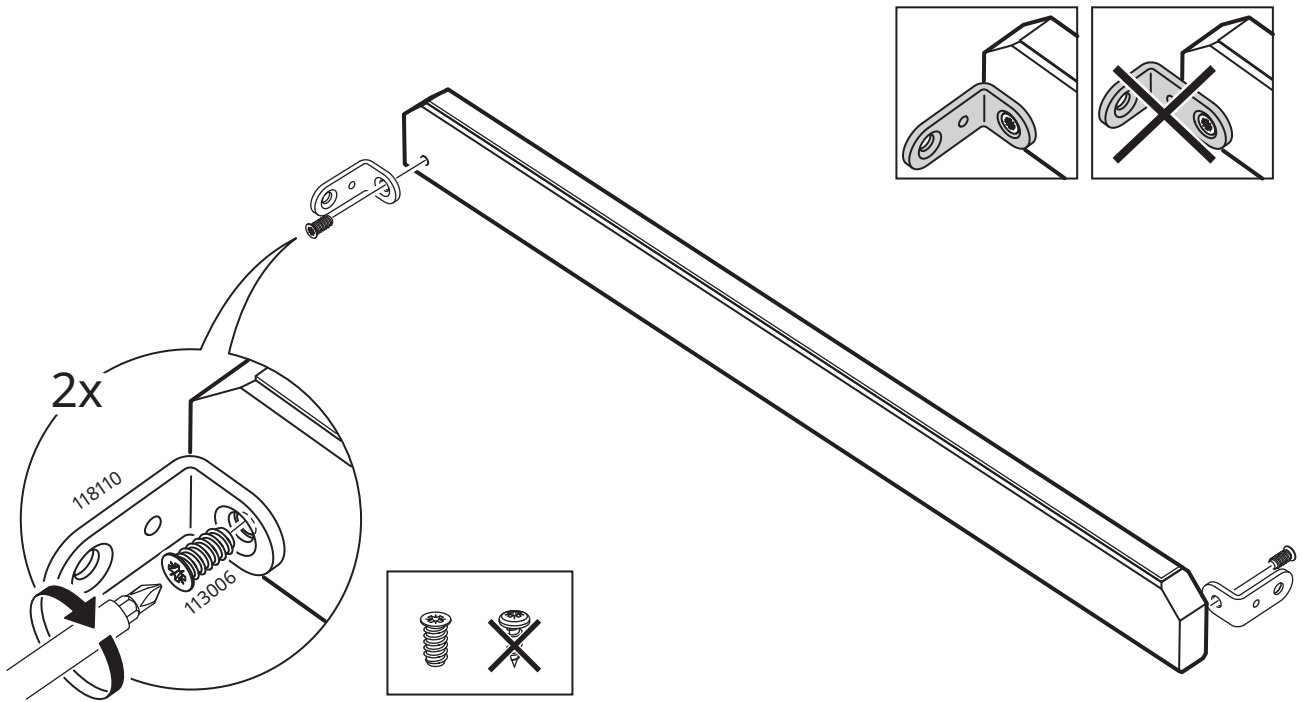

Galego

Os materiais das paredes e chans varían, é por iso que non se inclúen ferraxes de fixación á parede ou chan. Se precisares recomendacións sobre sistemas de parafusos axeitados, pregunta a un retallista especializado.
