Español

Se debe fijar la sombrilla al terreno con 4 bloques de cemento, hormigón o un material similar. La medida aconsejable de los bloques es de 50x50 cm (20x20" aprox.), con un peso total de 90 kg (199 lb), como mínimo. Los bloques no están incluidos. Se venden en comercios de bricolaje especializados.

Asegúrate de que el terreno sea llano y estable. Distribuye los bloques alrededor de la base de estrella como se muestra en la ilustración de las instrucciones de montaje. Cierra siempre la sombrilla cuando no la utilices y nunca la uses cuando haya viento.

Català

Cal fixar el para-sol al terra amb 4 blocs de ciment, formigó o un material semblant. La mida aconsellable dels blocs és de 50x50 cm, amb un pes total de 90 kg, com a mínim. Els blocs no s'inclouen. Es venen en botigues de bricolatge especialitzades.

Assegura't que el terra és estable. Posa els blocs al voltant de la base d'estrella com es mostra a la il·lustració de les instruccions de muntatge. Tanca sempre el para-sol quan no el facis servir o faci vent.

Euskara

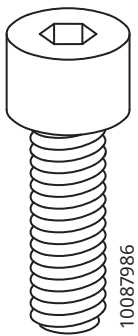

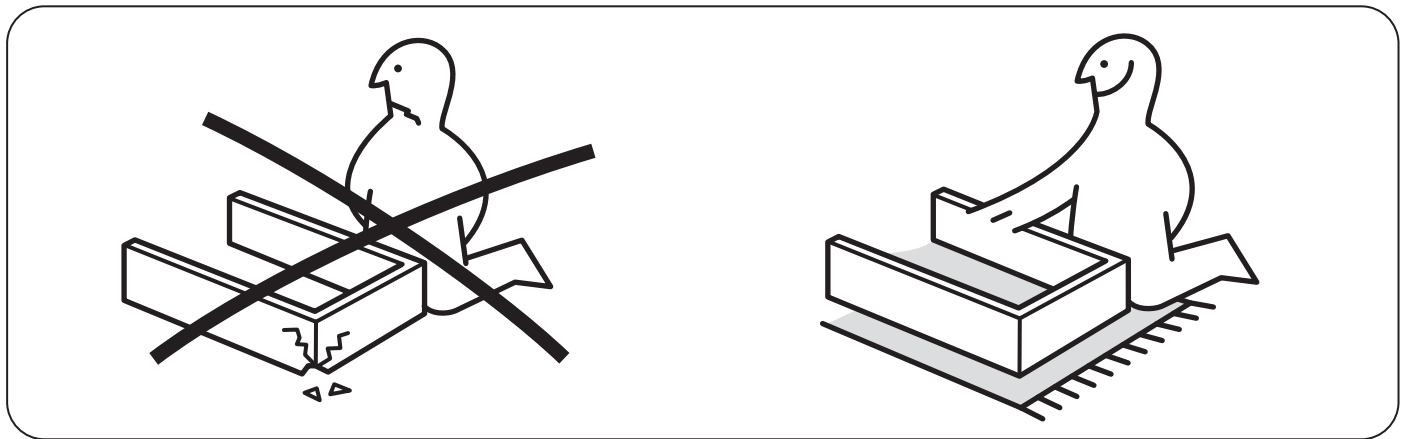

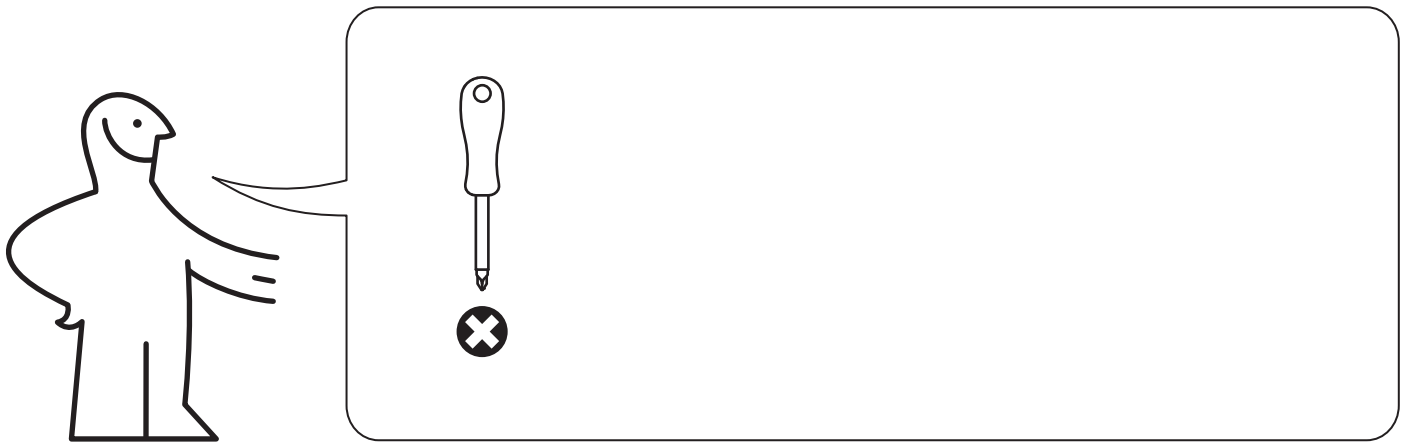

Itzalkina hormigoi, zementu edo antzeko materialezko 4 blokeren bidez finkatu behar da lurrera. Blokeen neurriak aproposena 50x50 cm da (20x20" inguru), eta gutxienez 90 kg (199 lb) pisatu behar dute. Blokeak ez datoz produktuekin. Brikolaje-denda espezializatueta daude salgai.

Egiatzatu zorua laua eta egonkorra dela. Sakabanatu blokeak oinarriaren inguruan, izar-forma osatuz, muntatzeko argibideetako irudian ageri den bezala. Itxi itzalkina erabiliko ez duzunean, eta ez erabili haizea dabilenean.

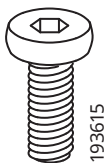

Galego

Débese fixar o parasol ao terreo con 4 bloques de cemento, formigón ou un material similar. A medida aconsellable dos bloques é de 50 x 50 cm, cun peso total de 90 kg, como mínimo. Os bloques non están incluídos. Véndense en comercios de bricolaxe especializados.

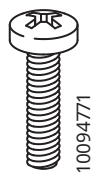

Asegúrate de o terreo ser chan e estable. Distribúe os bloques ao redor da base de estrela como se amosa na ilustración das instrucións de montaxe. Pecha sempre o parasol cando non o empregues e nunca o uses cando vente.
