¡Advertencia! La sustitución y la reparación de los componentes para la regulación de la altura de la silla con acumuladores de energía deben ser efectuados solo por personal cualificado.

Català

Advertència! La substitució i la reparació dels components per regular l'altura de la cadira amb acumuladors d'energia només la pot fer personal qualificat.

Euskara

Adi! Soilik langile kualifikatuek ordezkatu edo konpondu ditzakete aulkiaren altuera egokitzeko osagaiak energia metagailuekin.

Galego

ADVERTENCIA! Da substitución e a reparación dos compoñentes para regular a altura da cadeira con acumuladores de enerxía debe encargarse unicamente persoal cualificado.

**Español**

Nuestras sillas tienen ruedas de seguridad, lo que significa que se activa automáticamente un freno cuando nadie está sentado en ellas. Así no rodarán cuando te levantes, y siempre la encontrarás justo donde la dejaste.

Català

Les nostres cadires tenen rodetes de seguretat que frenen automàticament quan no hi ha ningú assegut. Així, quan t'aixequis no es mourà i sempre te la trobaràs on l'hagis deixada.

Euskara

Gure aulkiak segurtasun-gurpilak dituzte, eta horrek esan nahi du freno bat automatikoki aktibatuko dela bertan inor jesarrita ez dagoenean. Horrela, ez dira mugituko altxatzen zarenean, eta utzi zenituen tokian bertan aurkituko duzu beti.

Galego

As nosas cadeiras teñen rodas de seguridade que frean automaticamente cando non hai ninguén sentado. Así que non se moverán do sitio cando te ergas e sempre a encontrarás onde a deixaches.
