

Seating furniture

sofas, armchairs, sofa-beds,
and footstools

Everyday life at home puts high demands on seating furniture. Our furniture are rigorously tested to comply with our strict standards for quality and durability as well as with the highest standards for domestic use. This means that we can offer you a 10-year guarantee against defects in materials and workmanship that covers frames and cushions of our sofas, armchairs, sofa-beds, and footstools. For some products, this involves a 25-year guarantee. Guarantees are subject to the terms and conditions stated in this folder.

How long is the guarantee valid?

The guarantee for sofas, armchairs, sofa-beds, and footstools remains in force for 10 or in some cases 25 years. The guarantee is valid from the date of purchase. The original purchase receipt is required as proof of purchase.

What is covered under this guarantee?

This guarantee applies to domestic use only and covers defects in material and workmanship in frames and seat and back cushions when used with the intended frames. What will IKEA do to correct the problem?

IKEA will examine the product and decide, at its sole discretion, if it is covered under this guarantee. If considered covered, IKEA through its own service operations, will then, at its sole discretion, either repair the defective product or replace it with the same or a comparable product. If it is covered by this guarantee, IKEA will pay the costs of repairs, spare parts, labour and travel for repair staff that IKEA incur, provided that the product is accessible for repair without special expenditure. This does not apply to any repair work not authorized by IKEA. Replaced parts become the property of IKEA. If the item is no longer sold by IKEA, IKEA will provide an appropriate replacement. It is IKEA that determines, at its sole discretion, what constitutes an appropriate replacement.

Our seating furniture is put to the test

At IKEA we test all our sofas, armchairs, sofa-beds, and footstools to be sure that they're durable. And we're especially tough on the ones that have long guarantees. For example, we push one 100 kg weight onto the seat 50,000 times – and one 30 kg weight onto the back just as many times. We do all this to be sure that the frames retain their stability and that the cushions retain their resilience and comfort. The guarantees we provide are proof that our seating furniture can withstand being used often and for a long time – and thereby provide an assurance for you as a customer.
