A technical line drawing of a three-tier open shelving unit. The unit consists of a top shelf, a middle shelf, and a bottom shelf, all supported by a central vertical panel. The top shelf is attached to the central panel via two vertical supports. The middle shelf is attached to the central panel via two vertical supports. The bottom shelf is attached to the central panel via two vertical supports. The unit is shown from a perspective view, highlighting its depth and the arrangement of the shelves.
