Storage cabinets

Care

Wipe clean with a cloth dampened in a mild cleaner. Wipe dry with a clean cloth.

Safety

To prevent this furniture from tipping over, it must be fixed to the wall. As wall materials vary, screws for wall fixation are not included. For advice on suitable screw systems for your wall, contact your local specialised dealer. Wall fixing/hanging must be carried out by a qualified person, since wrong fixation may cause injury or damage.

Expressive storage your way!

Whether you prefer a toned down minimalistic or playful and colourful expression, the LIXHULT cabinets is a storage solution that fits across the home. The series is perfect to use in those spaces where you normally cannot fit larger storage units; in between furniture, in corners, between windows and under staircases. Basically, anywhere you need and want it!

You can use LIXHULT as a small and fun solution, or as larger, personalised combinations. Make your own LIXHULT by combining the different sizes and colours, have fun and let your personality shine through!

All the products (shown here) may not be available at the store. Please contact the staff or look at www.IKEA.com for more information. For more detailed product information, see the pricetag and the Internet. All units require assembly.
