

BUYING GUIDE

SKÅDIS

Storage series

Storage throughout the home

Regardless of where you need storage in the home, and no matter what you plan to store, SKÅDIS storage series can help. Use SKÅDIS in the bathroom for toothbrushes and jewellery. In the kitchen to have utensils and spices close at hand. Or in the garage so you keep all tools and screws in order. Only your imagination sets the limits of what SKÅDIS can be used for.

All the products (shown here) may not be available at the store. Please contact the staff or look at www.IKEA.com for more information. For more detailed product information, see the pricetag and the Internet. All units require assembly.

HOW TO CHOOSE

You can create your own SKÅDIS combination. First select the size of the pegboard and then complete with the accessories you need. Don't worry if you change your mind – the accessories are just as easy to remove and replace as they

are to attach. When your storage needs change, you can easily add, move or remove accessories so that SKÅDIS always meets your needs.

HOW TO BUILD

Depending on where and how you intend to use your SKÅDIS, you can choose to attach it in three different ways.

1. On the wall.

Use the included wall rail when you buy SKÅDIS pegboard. Remember to buy screws to secure the rail to the wall. Select screws suitable for the wall you plan to attach SKÅDIS to.

2. To a desk or on a shelf.

If you don't want screws in your walls, you can attach SKÅDIS to a desk. You can also attach it on a shelf so that it stands up or hangs down. Regardless what you choose, you can use SKÅDIS connector.

COMBINATIONS ON THE WALL

We have made some suggestions for how SKÅDIS can look. Choose your favourite or get inspired and create your own solution.
