

# KNOXHULT

## Kitchen series

5

KNOXHULT kitchen has a 5-year guarantee. Read more in the guarantee folder.

### Care

Wipe clean the cabinets with a cloth dampened in water or a nonabrasive detergent. Wipe dry with a clean cloth. Clean stainless steel surfaces after use by wiping with a sponge and a clean cloth, adding nonabrasive detergent if necessary. Always wipe length-ways.

### Safety

Different wall materials require different types of fixing devices. Use fixing devices suitable for the walls in your home, sold separately.

### Good to know

The hinges are adjustable vertically, horizontally and in depth; makes it easier to mount the door in an exact position. The doors can be mounted left or right. The legs are adjustable to make the frame stand steady on uneven surfaces.

### A kitchen made easy, with great value for your money

KNOXHULT kitchen units make it easier to create a kitchen to love than you may think.

The selection of units in different shapes and sizes help create a practical kitchen catered to your very needs. Add to this, they come with pre-coordinated fronts and worktops, so all you have to do is combine the units to suit your space and preferences. When you're happy with the result, personalise with your favourite sink, tap, appliances, knobs or handles and lighting and you're ready to cook.

On the inside you have great storage possibilities for things both large and small. To create order and make efficient use of space inside cabinets and drawers in your KNOXHULT kitchen, add organisers, so you can spend less time searching and more time cooking.

KNOXHULT kitchen units offer a simple path to a great kitchen that will be your companion for years to come.
