## WARNING

**Serious of fatal crushing injuries can occur from post tip over. To prevent tip over this post must be attached to the ceiling and the floor.**

ELVARLI post is adjustable in height and must be fixed to the ceiling with the screws. Since ceiling materials vary a lot, fixing screws are not included. For advice on suitable screws systems, contact your local specialized retailer.

## אזהרה

**נפילת רהיט עלולה לגרום לפגיעה גופנית חמורה או קטלנית. למניעת סכנת נפילה, יש לקבע את העמוד לתקרה ולרצפה.**

עמוד ELVARLI מתכוונן לגובה ויש לקבעו לתקרה באמצעות ברגים. מאחר ותקרות שונות עשויות מחומרים שונים, אבזרי קיבוע אינם כלולים באריזה. מומלץ להתייעץ עם איש מקצוע או לפנות לחנות מתמחה בנוגע לאבזרי החיבור המתאימים לסוג הקיר שבביתכם.
