General information

What is guaranteed?
The extent of the guarantee given for each product is described alongside each product.

Duration of guarantee
Each guarantee lasts for the number of years stated against each product starting from the date of purchase.

What will IKEA do to correct the problem?
IKEA will examine the product and decide if it's covered under this guarantee. IKEA will then, at its choice, either repair the defective product or replace it with the same or a comparable product. In these cases, IKEA will be responsible for the cost of repairs, spare parts, labour and travel for repair staff that IKEA incurs, provided that the product is accessible for repair without IKEA incurring additional expenditure to gain access. This will not apply in cases where repair work has not been authorised by IKEA. Any defective parts removed in the course of repair work will become the property of IKEA. If the item is no longer sold by IKEA, IKEA will provide an appropriate replacement. IKEA will decide at its discretion, what will constitute a replacement.

Conditions for the guarantees
The guarantees are valid from the date of purchase at IKEA or date of delivery if later. The original purchase receipt is required as proof of purchase.

Exclusions
The guarantees do not apply to products that have been stored or assembled incorrectly, used inappropriately, abused, misused, altered, or cleaned with wrong cleaning methods or wrong cleaning products. The guarantees do not cover normal wear and tear, cuts or scratches, or damage caused by impacts or accidents. The guarantees do not apply if products have been placed outdoors or in a humid environment or if the products have been used for non-domestic purposes (unless otherwise stated). The guarantees do not cover consequential or incidental damages.

Care instructions
To be able to rely on this guarantee you need to follow the specific care instructions for every product. You can find all care instructions at the IKEA stores and on the IKEA website: www.IKEA.in.

General legal rights
This guarantee gives you specific legal rights. It does not, in any way, affect the rights given to you by law. Items excluded from the IKEA free extended guarantees will still be covered by the rights given to you by law. You can obtain information about your legal rights from your local Trading Standards offices or Citizens Advice Bureaux.

How to reach us if you need service:
Contact your local IKEA store. You can find the address and phone number in the IKEA catalogue or at IKEA.com/in. Save your sales receipt as proof of purchase. Proof of purchase is required for the guarantees to be valid. To find out more, pick up the guarantee booklets at your local store.
