How does it work?? (Customer Buying Journey)

1. Customers who dine at the Swedish Restaurant and make a purchase of ₹750 or more at billing will be issued a loyalty card by the cashier.
2. They will place 1 yellow sticker on the card per purchase and put the date above the sticker.
3. To avail the free gifts the customer can show the invoice with the card to the serving line coworker to pick up the gift in the same day.
4. Once the customer has completed all the purchases the cashier can cross off the card (physically cross it off with pen) and discard it.
5. If the card is distributed through marketing campaigns, customers must make a qualifying purchase at the Swedish Restaurant to activate the card.
