Quality, design and smart details
The NORDLI series is distinguished by high quality and clean, contemporary design that makes it a stylish choice for the bedroom. It has smart details, like soft-closing drawers, a bed frame with storage and hidden cable management in the bedside table. The series also includes different modular chests that you can combine to perfectly suit your space. The chests offer super flexible storage – not only for your bedroom but for other rooms too – like the living room, hallway or even your business.
We all want our homes to be a safe place. But in our homes, accidents can put children at risk. Working together, we can help prevent these accidents and make the home a safer place.

- Never put a TV or other heavy objects on top of a chest of drawers or any furniture not intended for use with a TV.
- Place heavy objects in the lowest drawers.
