## It's what's on the inside that counts

This solution explores turning hidden storage into something that makes you smile on a daily basis. Because we all know that being organised feels good, even if it's behind closed doors – and drawers.

Do you love your clothes? Make sure you do them justice by organising them beautifully with our PAX wardrobe system, as pictured here. Just note: you'll want to play dress up every day.

PH183482.jpg **New HEMMAFIXARE storage case ₩14,900** 805.039.12

We all know spring weather can be unpredictable – who hasn't been caught in a downpour before? Be prepared and keep warmer layers just a zip away so you can stay one step ahead of the forecast.

Do you feel like you can never find what you're looking for? Contain bathroom clutter (and minimise unnecessary stress) with neat baskets and storage containers that not only look good, but make you feel good, too. Think calm on the inside, sleek on the outside.

Meal times can be stressful, especially when there's multiple mouths to feed. Take the pressure off by storing the essentials with clever organisers and smart lighting. Satisfaction, guaranteed.
