

IKEA Measuring Service Customer Agreement

Measuring Service Terms of Carriage

This document sets out the arrangements that will apply to the purchase of an IKEA Measuring Service.

Agreement

Service provided refers to either (a) Kitchen or (b) Laundry/Bathroom each charged at \$99

One day prior to your booked appointment our Service Partner will contact you to confirm the appointment.

The inspection will be completed using a Measuring checklist to be signed at the end of the appointment.

Following the completed appointment, our Service Partner will create the final plans in their CAD tool and send this to you via email within 48 hours.

Note that the fee covers measurement of your Kitchen or Laundry/Bathroom, not both.
