

IKEA Tempe Take-back service photo guide

Hej!

In order to accurately assess your item we need:

- 4-6 photos - medium resolution (Less than 500Kb ea)
 - 2 photos of the product overall, from 2 different angles.
 - 1 photo of the IKEA product label, usually found on the underside or back of the product. *Otherwise a picture of the receipt if you still have it.*
 - Up to 3 photos that show any damage, marks or wear on the item.

To increase your chances of a successful submission ensure the item is *well lit* and *free of obstructions*. It must also be **Clean, Safe to use, and Fit for purpose**.

Please note, we will not accept submissions with poor quality photos.

Offers will be finalised at the point of drop off, when Take Back Co-Workers are satisfied your item(s) match the condition indicated in your submission.
