

HOPEN

SAFETY:

This furniture must be fixed to the wall with the enclosed wall fastener. Different wall materials require different types of fixing devices. Use fixing devices suitable for the walls in your home, sold separately.

Assembly: Min. ceiling height required: 237 cm. Two persons are needed for the assembly of this furniture.

HOPEN wardrobe system solves all your wardrobe needs. Choose the width and material that suits you best. With a corner wardrobe you can maximise use of the space in your home. And if you add practical lighting, you also make it easier to find the right clothes.

Do you want a beautiful interior? HOPEN wardrobe not only helps you to keep all your clothes and shoes organised, the system includes an inbuilt chest of drawers that makes the inside as beautiful as the outside. Let KOMPLEMENT interior fittings in sizes 60 and 80 cm take care of the rest.

It's up to you whether you want lighting in your HOPEN wardrobe or not. The pre-drilled holes make it simple to install HOPEN spotlights. The doors come with extra décor strips that you can either use or not use. Think it over in the peace and quiet of your own home.

Detailed product information is on the price-tags and on the Internet.

Certain articles require assembly.

HOW TO BUILD

1. First think about what and how much you need to store – for example, clothes, shoes, bed-linen etc.
2. Then combine the different frames, doors, drawer units and shelves that you need to take of all your storage requirements. You can choose a sleek, flush surface or decorate the doors with the trim strips included.

3. Choose the interior fittings you need – wire baskets and clothes rails etc. – from the KOMPLEMENT range.
4. Select suitable lighting. Good lighting adds an extra sparkle to your wardrobe at the same time as it makes it easier to find exactly what you're looking for.
