CHOOSE YOUR WARDROBE

We have a wide range of PAX/KOMPLEMENT combinations to choose from which you can find in the store or on our website at IKEA-USA.com/PAX. If you don’t find a pre-designed solution that you like, you can use our PAX planner to create the perfect solution that suits your needs and taste.

Begin by looking through the ready-made combinations on the web or in the planner gallery and choose one that inspires you. You will then have a pre-designed combination to start from that you can customize to your needs. You can, for example, change the size and the color of the wardrobe, or the interior organizers.

You can also use the planner to design your own unique PAX combination from scratch. There are four simple steps to follow when choosing your wardrobe solution.

1. **Choose frames.** Consider how much space you have available in your room. It’s important to know the maximum height and width of your new wardrobe. Remember, you can also make the most of unused space with corner units.

2. **Pick your style.** What color do you want your wardrobe to be? We can offer a wide selection selection of doors in different colors.

3. **Choose interior organizers.** Think through your day-to-day needs. Do you have a lot of shoes? Then a pull out tray with shoe rails could be a good option for you. Or perhaps you have a lot of pants? Then a pants hanger will come in handy. If you keep your summer and winter clothes in the same place, deep metal baskets will store your clothes neatly away.

4. **Choose other accessories.** Once you have decided on the interior organizers, it’s time to add the finishing touches. You can choose form a variety of knobs and handles for hinged doors. Complete your new wardrobe with your choice of boxes and inserts from our extensive range of interior accessories. And for a really great result, don’t forget the integrated lighting! Simple to install and makes it so much easier for you to find the right outfit.

The PAX planner helps you to calculate the price of your wardrobe and allows you to print or save a product list that you can bring to the store or use to purchase online.

The planner can be found in the wardrobe area of the store or in the comfort of your own home. Just visit the wardrobe department on the IKEA website and go to the PAX wardrobe planner: IKEA-USA.com/PAXplanner

Write down the width, depth, and height of the space you have available to place your PAX unit. If it is meant to fit into a walk-in closet, remember to take into account if the door opens into the closet.

To help determine which interior organizers you'll need for your PAX frames, take an inventory of what you need to store:

ASSESS YOUR STORAGE NEEDS
PLAN THE INSIDE

Plan your interior from the KOMPLEMENT range using this basic guide. You can plan the interiors for both 79¼” and 92⅞” high wardrobes. The squares beneath each interior organizer refer to the approximate total width and height of the product as well as the needed space between two interior organizers.

Sketch the organizers of your choice on the chart to design the interior that suits your needs, or plan your wardrobe online at IKEA-USA.com/PAXplanner.
**PAX/KOMPLEMENT LIMITED WARRANTY**

Everyday life at home puts high demands on wardrobes. PAX/KOMPLEMENT wardrobes and interior organizers endure rigorous tests to meet our strict standards for quality, strength and durability. The PAX/KOMPLEMENT wardrobes and interior organizers are tested under the highest standards in domestic applications. That means we can offer you a 10 year limited warranty that covers PAX/KOMPLEMENT wardrobes and interior organizers marked with the logo below, against defects in materials and workmanship. This limited warranty is subject to the terms and conditions stated here.

**How long is this limited warranty valid?**
The limited warranty for PAX/KOMPLEMENT wardrobes and interior organizers remains in force for ten (10) years, and is valid from the date of purchase. The original purchase receipt is required as proof of purchase.

**What is covered under this limited warranty?**
This limited warranty applies to domestic use only, and covers defects in material and workmanship in the following components of the PAX/KOMPLEMENT wardrobes and interior organizers:

- Frames
- Hinged doors and hinges
- Dividers for frames and shelf inserts.
- Sliding doors and sliding door mechanism
- KOMPLEMENT interior organizers

**Products not covered under this limited warranty**
KOMPLEMENT insert for pull-out tray, KOMPLEMENT jewelry insert for pull-out tray, KOMPLEMENT divider for pull-out tray, and KOMPLEMENT tray 3-pack.

**What will IKEA do to correct the problem?**
IKEA will examine the product and decide, at its sole discretion, if it is covered under this limited warranty. If considered covered, IKEA through its own service operations, will then, at its sole discretion, either repair the defective product or replace it with the same or a comparable product. If it is covered by this limited warranty, IKEA will pay the costs of repairs, spare parts, labor and travel for repair staff, that IKEA incur, provided that the product is accessible for repair without special expenditure. This does not apply to any repair work not authorized by IKEA. Replaced parts become the property of IKEA. If the item is no longer sold by IKEA, IKEA will provide an appropriate replacement. It is IKEA that determines, at its sole discretion, what constitutes an appropriate replacement.

**What is not covered under this limited warranty?**
This limited warranty does not apply to products that have been stored or installed incorrectly, used inappropriately, abused, misused, altered, or cleaned with wrong cleaning methods or cleaning products.
This limited warranty does not cover normal wear and tear, cuts, scratches, or damage caused by impacts or accidents. This limited warranty does not apply if products have been placed outdoors or in a humid environment, e.g. a bathroom. This limited warranty does not cover consequential or incidental damages.

For customers in the US only: Some states do not allow the limitation or exclusion of incidental or consequential damage, so this limitation or exclusion may not apply to you.

**Care instructions**
Assemble according to the assembly instruction and secure the wardrobe frames by attaching them to a wall. Keep in mind that different wall materials require different types of hardware. If you are uncertain, contact your local hardware specialist. Follow the recommended weight loads. Wipe clean with a cloth damped in mild cleaner. Then wipe clean with a dry cloth.

**How country, provincial and state law applies**
This limited warranty gives you specific legal rights, and is in addition to your statutory legal rights.

**How to reach us if you need service**
Contact your local IKEA store. You will find the address and phone number in the IKEA catalog or at IKEA-USA.com.

**SAVE THE SALES RECEIPT!**
