Storage entirely on your terms

Large or small. Out in the open or hidden. Colorful or toned down.

You can combine EKET cabinets as you like and need. No matter what you’re storing or how much space you have at home, you can always find a solution that suits you. And if your needs or tastes change? No problem – you can easily change EKET too.

CARE
Wipe clean with a cloth dampened in a mild cleaner. Wipe dry with a clean cloth.

SAFETY
Secure It! Prevent tip-over injury. Furniture with included restraints must be secured to the wall according to the assembly instructions.

If the product is to be hung on the wall, it must be done with the designated suspension rail (sold separately at IKEA).

Assess the wall to ensure that it will withstand the weight. As wall materials vary, screws for wall fixation are not included. For advice on suitable screw systems for your wall, contact your local specialized dealer. Wall fixing/hanging must be carried out by a qualified person, since wrong fixation may cause injury or damage. To be completed with EKET base frames/feet/base on legs/legs (sold separately at IKEA) if the product is to be placed on the floor. EKET connection hardware (sold separately at IKEA) for stacking the modules on each other are only to be used when building a floor-standing combination.

Different wall materials require different types of hardware. Use hardware (sold separately) suitable for the walls in your home.

A high standard of accuracy has been sought in the preparation of this buying guide. We apologize for, but will not be bound by or responsible for, errors and omissions in this buying guide.

Not all products may be available in all stores. See what is available at your local store by visiting IKEA-USA.com/stockavailability. For more detailed product information, see the price tag or visit IKEA-USA.com. All products shown require assembly. All textiles shown are imported.
COMBINATIONS
You can combine different colors and sizes, change the placement of the cabinets as you like and create a solution with its own complete look. Here are only some suggestions.

SERVICES

IKEA products are designed to be taken home and assembled by you. That way, you’ll save the most money. But if you would like some help, we can offer a range of services. Assembly and delivery services fulfilled by an Independent Service Provider. Contact your local IKEA store or visit the IKEA website for details: IKEA-USA.com/services

DELIVERY SERVICE

Most of our products are designed and packaged so that you can take them home yourself. If you prefer, we can arrange for delivery of your purchases directly to your home or business. Same day, next day or same week deliveries are available. We can also arrange for delivery at a later date if you would like.

PICKING WITH DELIVERY SERVICE

We’ll collect the products on your shopping list from throughout the store and arrange delivery of everything to your home or office. See an IKEA co-worker and tell them what you’re looking for and they will book and print your items on a customer order. Take this order to the check-outs and pay for your purchases both goods and services. And you’re on your way!

ASSEMBLY SERVICE

For online and in-store purchases, TaskRabbit offers quick and convenient assembly and mounting for your IKEA purchases made online and in select stores. Plus, enjoy flat rate pricing created just for IKEA products.

Services and prices may vary, please see IKEA-USA.com/services or talk to us in your local IKEA store.
