KNOXHULT

Kitchen series

CARE
Wipe the cabinets clean with a damp cloth. Wipe dry with a clean cloth. Clean stainless steel surfaces after use by wiping with a sponge and a clean cloth, adding nonabrasive detergent if necessary.

SAFETY
Secure It! Prevent tip-over injury. Furniture with included restraints must be secured to the wall according to the assembly instructions. Different wall materials require different types of fixing devices. Use fixing devices suitable for the walls in your home, sold separately.

GOOD TO KNOW
The hinges are adjustable vertically, horizontally and in depth; makes it easier to mount the door in an exact position. The doors can be mounted left or right. The legs are adjustable to make the frame stand steady on uneven surfaces.
