CARE
INSTRUCTION
Wipe clean with a cloth dampened in a mild cleaner. Wipe dry with a clean cloth.

GOOD TO KNOW
Measure the depth and width of your TV-set. The measurements should be less than those of the TV furniture.

Two people are needed for the assembly of this furniture.

SAFETY
Secure It! Prevent tipover injury. Furniture with included restraints must be secured to the wall according to the assembly instructions.

Different wall materials require different types of fixing devices. Use fixing devices suitable for the walls in your home (not included).

Tempered glass should be handled with care! A damaged edge or a scratched surface can cause the glass to break suddenly. However, only into small pieces, never into sharp fragments.

Tradition meets technology!
Don’t be fooled by the turned legs, intricate moldings and tongue and groove joinery. LIATORP may look antique but it has plenty of room for the wonders of technology. The series includes tables, cabinets and bookshelves. They’re perfect for everything from DVD players and CDs, to your grandmother’s dishes and your child’s drawings. With LIATORP you can decorate in a country style throughout your kitchen, living-room and home office – without compromising on your family’s new traditions.

The finishing touch
The décor strip on the bookcase is one of the details that gives LIATORP its distinct country styling. But the décor strips have a practical function too. You can use them to join two or more bookcases. This makes them appear as one continuous bookcase with a long décor strip. Like a custom-made bookcase, built by a carpenter!

A high standard of accuracy has been sought in the preparation of this buying guide. We apologize for, but will not be bound by or responsible for, errors and omissions in this buying guide.
