

ASKHOLMEN

Outdoor Living Furniture Series

Big ideas for small outdoor spaces

The ASKHOLMEN series gives you the flexibility to furnish your small balcony or terrace in many different ways – and make the most of your space. Compact chairs and tables that fold up and away. A balcony table that mounts to the rail or wall. To decorate, there's a flower box, a plant stand and a trellis that supports climbing plants. The entire series is made of durable, sustainably sourced acacia that has been stained light-brown for beauty and added protection.

PROTECTING AND CARING FOR ASKHOLMEN

The best way to extend the life of your wooden outdoor furniture is by cleaning it regularly, not leaving it outdoors unprotected more than necessary and to re-stain it on a regular basis.

Cleaning

Wipe clean with a soft cloth dampened in water and a mild soapy solution. Wipe dry with a clean and dry cloth.

Maintenance

To prevent the surface from drying out and cracking and moisture from penetrating into the wood we recommend you to re-stain the furniture on a regular basis, for example once a year. How often you will need to do this will depend on how exposed the furniture is to the elements.

For furniture that stands in the open air, a good indication that you need to re-stain is if raindrops are absorbed directly into the wood and no longer form small beads on the surface.

Storing

If possible, store your outdoor furniture in a cool and dry place indoors. If the furniture is left outdoors, make sure to protect it with a waterproof cover and if possible tilt the furniture to make it easier for any water to drain away. After a rain or snow-fall, wipe off excess water or snow from flat surfaces. Allow air to circulate, to avoid condensation.
