BILLY

Bookcase series

SAFETY

Secure It! Prevent tip-over injury. Furniture with included restraints must be secured to the wall according to the assembly instructions.

Different wall materials require different types of hardware. Use hardware (sold separately) suitable for the walls in your home.

Tempered glass should be handled with care! A damaged edge or a scratched surface can cause the glass to break suddenly. However, it will only into small pieces, never into sharp fragments.

BILLY for book lovers

This is BILLY – our most versatile bookcase. It can be the start of your own library, where your books are protected and you feel inspired to read. BILLY comes in several heights and widths, finishes and materials to suit all books and rooms. When your library grows, you can add extra shelves and height extension units to suit your needs.

Better and better, day by day

BILLY bookcase was born in 1979 and soon became a popular favorite. But, you should never take an old friend for granted, which is why we're constantly working to improve the details and make the bookcase even better. Some improvements are hardly noticeable, while others you can see right away. Like now, when we have made BILLY more durable, improved the finish and made the shelves even stronger.

A high standard of accuracy has been sought in the preparation of this buying guide. We apologize for, but will not be bound by or responsible for, errors and omissions in this buying guide.

The BILLY bookcase is an expert at books. Its best friend GNEDBY is good at storing media, such as CDs and DVDs. Together, they help you to keep your home organized. Naturally, they have the same color and design – like two peas in a pod.

Overall size: 78¾×11×79½".

This combination: \$218 White 990.178.36

Create your own unique library, varying in color, choice of doors and number of shelves according to your taste and needs. You can display your favorite books in many ways, and even combine both glass doors and open shelves. With a height extension unit you can make the most of the space for practical storage. And there are glass doors available for height extension units, too.

Overall size: 78¾×11×93¼".

This combination: \$517 White 490.178.34

With BILLY corner fittings you can easily build a corner solution using the classic bookcase. Start by putting a 15¾" wide bookcase in the corner. The fittings will help you to put the shelves at the right angle and make the solution both tight and stable. With a height extension unit the wall surface is utilized maximally, while floor space is cleared.

Overall size: L-53½×R-84½×11×93¼".

This combination: \$331 White 590.178.38
