Spacious sofa with clean lines

BRÅTHULT Sofa has a slim design with clean and straight modern lines, while also being spacious and generous when you sit in it. The metal frame makes it stable and durable, yet easy to lift and move if you want to rearrange your room or if you maybe move to a new home. Does the sofa need to double as a bed? Then choose the sleeper sofa that quickly and easily transforms into a comfortable bed. The springy seat and elastic foam mean that you sit and sleep comfortably.

Sustainable the whole way

BRÅTHULT Sofa is made of lightweight yet sturdy and durable materials. The flat packs which the sofa comes in make it easier for you to transport and carry into your home. It also makes our transports more efficient which means that we can keep our carbon dioxide emissions down and prices low.

A high standard of accuracy has been sought in the preparation of this buying guide. We apologize for, but will not be bound by or responsible for, errors and omissions in this buying guide.
