## Storage series

### CARE

Wipe clean with a cloth dampened in a mild cleaner. Wipe dry with a clean cloth.

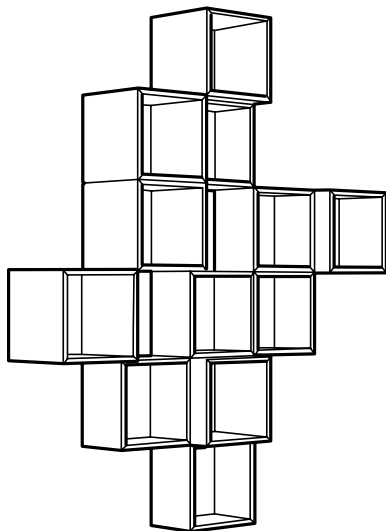

### SAFETY

Secure It! Prevent tip-over injury. Furniture with included restraints must be secured to the wall according to the assembly instructions.

**If the product is to be hung on the wall, it must be done with the designated suspension rail (sold separately at IKEA).**

Assess the wall to ensure that it will withstand the weight. As wall materials vary, screws for wall fixation are not included. For advice on suitable screw systems for your wall, contact your local specialized dealer. Wall fixing/hanging must be carried out by a qualified person, since wrong fixation may cause injury or damage. To be completed with EKET base frames/feet/base on legss/legs (sold separately at IKEA) if the product is to be placed on the floor. EKET connection hardware (sold separately at IKEA) for stacking the modules on each other are only to be used when building a floor-standing combination.

Different wall materials require different types of hardware. Use hardware (sold separately) suitable for the walls in your home.

### Storage entirely on your terms

No matter what you're storing or how much space you have at home, you can always find a solution that suits you. And if your needs or tastes change? No problem – you can easily change EKET too.

## DELIVERY SERVICE

Most of our products are designed and packaged so that you can take them home yourself. If you prefer, we can arrange for delivery of your purchases directly to your home or business. Same day, next day or same week deliveries are available. We can also arrange for delivery at a later date if you would like.

## PICKING WITH DELIVERY SERVICE

We'll collect the products on your shopping list from throughout the store and arrange delivery of everything to your home or office.
